FOR ELDERLY PEOPLE How the Ridneys and Bladder Cause Pain, Misery and Discomfort, and How They May Be Healed.

No matter how apparently strong and healthy you may be, as you approach middle age, there is a certain letting down in the physical forces sure to make itself felt. When this happens to the kidneys and bladder, then they do not perform their work properly, and cannot until they are toned up and extend and restored to their northe general improvement of both societies.

A communication was received from the Mt. Pleasant Improvement Club accepting the invitation to be present at the next meeting of the Mountain View Improvement Club. At this meeting the two clubs will debate the question, "Resolved That Single Tax is Preferable to Our Present System of Taxation." The Mountain View Club takes the affimative and the Mt. Pleasant Club the negative side of the question.

Two weeks from last night at the regular meeting of the club, Rev. S. A. Hayworth, pastor of the First Baptist Church will be present and deliver an address before the club. The subject will be selected by the speaker.

Last evening after the business session and program was over the rest of the time was spent in dancing.

The kidneys and bladder, then they do not perform their work properly, and cannot until they are toned up and strengthened, and restored to their normal action. Weak kidneys, sharp back-ache, and bain over the hips, sleepless-ness, urinary irregularities and head-ache, with a dry and bad tasting mouth are all symptoms that show the need of a tonic and stimulant for the kidneys and bladder. Foley Kidney Pills furnish exactly the corrective and stimulating medicine needed at such a time. They are antiseptic, healing and tonic in action. They will give first a quick relief, then a lasting benefit, and will remove the pains and annoyance that come from kidney and bladder disorders, which make the approach of old age a time of misery and pain, instead of serenity and peacefulness. Marcus Markham, 138 Harrison street, Coldwater, Mich., says: "I am past 80 years old and always enjoyed excellent lealth until two or three years ago, when I noticed my kidneys and bladder were getting weak and caused me a great deal of trouble. The kidney action was at times suppressed and again made me get up many times during great deal of trouble. The kidney action was at times suppressed and again made me get up many times during the night. At times I would get a stitch in the small of my back. Seeing Foley Kidney Pills recommended for similar cases I began taking them. They relieved me promptly of all annoyance, correcting the action of my kidneys and bladder, and I can again sleep all night. All symptoms of kidney trouble were dispelled on such short notice that I was certainly pleased with Foley Kidney Pills and have since recommended i.em. OUTLAY FOR ROCK

Yard and Delivery Will Be Less Costly.

The city entered into an agreement with the county this morning by which the former will make a saving of 50 per cent on the annual outlay for crushed rock used by the park and street repair departments. Mayor Simon, City Auditor A. L. Barbur and City Engineer Morris held a conference with County Judge Cleeton and the county commissioners just before noon, the result being that the county agrees to sell crushed rock to the city at the same rate charged to the county.

Heretofore the city has been paying contractors \$1.50 a yard for rock undelivered. Under the new arrangement the material can be secured for about \$1 a yard. The rock is crushed at the county quarries by the city and county prisoners. The city paid last year for meals

For crushed rock used last year by municipal departments the city paid \$6692.06.

City Attorney Barbur initiated the movement to cut down this yearly expense by purchasing rock from the county. At his suggestion the city will probably construct bunkers on the Jefferson street leves to hold the material brought in from the quarries. The United Railways company is required, under its franchise, to haul crushed rock into the city for 21/2 cents per square yard per mile. This will make the total cost for the five miles of haul about 12 1/2 cents. Contractors have been charging the city from 50 cents to \$1 per yard for the delivery of the material purchased by them, when the contracts have called for delivery.

IN SUPERIOR COURT

(Special Dispatch to The Journal.)
Vancouver, Wash., Jan. 21.—Suit was
instituted in superior court yesterday by H. Deierling vs. George A. Gooley, Georgiana Gooley Francis Stewart, Josle Stewart and A, Arntson, the latter doing business under the firm name of Acme Paint company, to foreclose mortgage and collect a debt of \$1625. On January 12, 1910, George A. and Georgiana Gooley executed a note for 8 per cent payable semi annually and to run two years. The note was delivered and to secure it, a mortgage was given on lot 5, block 1, Mountain View addition to Vancouver and located on Main street near Twenty-first. A provision of the mortgage was to the effect that a payment of \$62.40 with accrued interest be paid on July 12, 1910, and a like amount every six months thereafter. In the early spring of 1910, Gooley sold the property to Dr. Francis Stewart, then president of the new defunct K. & S. Chemical company of Vancou ver, and Stewart to assume the mortgage. Arntson was employed by Stewart to paper and paint the building performed the work but never received his pay. Stewart later absconded, it is alleged, with some \$1600 of the K. & Chemical company's money and was brought back to Vancouver from Van-couver, B. C., after several months, In the meantime, to protect his claim for work, Arntson paid the July assessment of \$62.40 and took a lien on the prop-

Delerling now asks the court to set aside the claim of Stewart and Arntson together with Goeley, and aflow judgment for \$1625 and the foreclosure of the mortgage.

W. O. W. WILL HOLD BOOSTER MEETING

Vancouver, Wash., Jan. 21 .- The members of Vancouver camp No. 85. W. O. W. plan to hold a booster meeting in Vancouver on Wednesday evening of next week when fully 100 members of Multnomah camp of Portland will be present. The idea of holding the big meeting was conceived last night by a number of Vancouver members who attended a meeting of the Portland camp and witnessed the work of conferring degrees on 40 or more candidates.

An invitation was extended to Multnomah camp and they will come 100 strong, bringing with them three full teams of the uniform rank and a picked team for initiatory work. "Billy" Lundsen of the Portland camp will occupy the council commander's seat in Vancouver during the initiatory work, -The pleasures of the evening will in-

clude a banquet at the close of work. They Grow Hair

Certain Ingredients if Properly Combined, Stimulate Human Hair Growth.

Resordin is one of the most effective germ destroyers ever discovered. Betanaphthol is a most powerful yet absolutely safe germicide and antiseptic, which prevents development of germ matter and creates a clean, healthy con-

dition. Pilocarpine, although not a coloring matter or dye, is an ingredient well established for its power to restore natural color to human hair.

Borax, because of its well defined softening and cleansing properties, is most useful in the treatment of scalp and hair diseases. Glycerine acts as a stimulant to the hair bulbs and has a soothing, healing and nourishing influence. Alcohol is indispensable. medicine because of its antiseptic, stimulating and preservative qualities. Rexall "93" Hair Tonic is chiefly com-

posed of these ingredients, which are compounded in a peculiar form, and we believe it is the most effective remedy known to medical science for scalp and hair troubles generally. We personally guarantee it to eradicate dandruff and scalp irritations and to grow hair, even though the scalp in spots is bare of hair, providing, of course, there is life and vitality remaining in the hair roots. We want everyone troubled with scalp lisease, dandruff or loss of hair to try Rexall "93" Hair Tonle. If it does not remove dandruff and promote a growth of hair to the satisfaction of the user, we will, without question or quibble, return every cent paid us for it. This guarantee is printed on every package. It has effected most satisfactory re sults in 93 out of 100 cases where put

to a practical test. Rexall "93" Hair Tonic is entirely unlike and in every particular different from anything else we know of for the purpose for which it is recommended. We urge you to try it at our entire
