

LOS ANGELES EXPECT STRIKE

Building Trades Will Probably Go Out About First of March.

Los Angeles, Feb. 17.—That the opening gun in the proposed industrial war in Los Angeles will be fired between March 1 and 15, when a general strike of the building trades unions will be called, was the belief expressed here by members of the Merchants' and Manufacturers' association, following announcement by Samuel Gompers in Washington that unions in the east were preparing for a gigantic struggle here against the "open shop."

Secretary Zschandlar of the "M. & M." said that the association had been informed last fall that such action by the labor leaders had been determined upon.

About 4000 men are employed here in the building trades. It is said that union organizers have been here for several months quietly building up the locals and lining up their forces for the impending struggle.

Washington, Feb. 17.—Contributions from unions all over the country continue to pour in here today to the headquarters of the American Federation of Labor for use in the pending labor war in Los Angeles, which it is said will ultimately be extended into a "closed shop" campaign for the whole Pacific coast.

President Samuel Gompers today declared that the support given and promised in response to his plea for aid for the Los Angeles local was the best indication that the American labor movement would be found solidly in line for the struggle.

ELKS ARE GETTING COIN

\$5,000,000 will be put into circulation for the benefit of local business. That is the reason the \$135,000 entertainment fund for which we are seeking seems so small. I hope, for the name of Portland, the whole amount will come in before this week is ended. There's another day after this one. The total subscriptions secured today as reported by about nine out of more than 50 committees was \$7,465. The largest total was from five hotels, the amount being \$1850. This brings up the total for two days and a half to more than \$21,000 in actual pledges, and joined with the Elks' \$25,000 makes \$46,000 absolutely certain. At the same time the great majority of the committees have yet to be heard from and many interests that are expected to subscribe have not been reported.

Women Won't Stand for Catarrh

They Have More Patience Than Men and They Know That Hyomei Will Cure Catarrh If Used Regularly.

How many women of refinement do you see parading disgusting symptoms of catarrh before the world? Not one in a thousand. Women have patience; a great deal more of it than men. Most of them know that HYOMEI will banish catarrh if used regularly and they use it regularly because they realize what a genuine blessing it is to be rid of such a vile disease as catarrh. People don't contract catarrh in a day; they can't expect to get rid of it in a day. If you really want to try to free yourself from the power of persistent devilish catarrh microbes get a HYOMEI outfit today and breathe HYOMEI regularly. There is no stomach dosing; the directions are simple and easily followed, a complete HYOMEI outfit including pocket inhaler costs \$1.00, extra bottles of HYOMEI if afterward needed cost 50 cents at druggists everywhere. S.S.S. PURELY VEGETABLE THE ONE SAFE BLOOD REMEDY

It is a generally recognized fact that medicines taken from the botanical kingdom are better adapted to the delicate human system, and safer in every way than those composed of strong mineral mixtures. Among the very best and safest of vegetable preparations is S. S. While purifying the blood, this great vegetable remedy builds up every portion of the system. S. S. number of the committee, it is known, want to wait two or three days until they can make a big showing. The general-entertainment committee, in the midst of its optimistic hope that the grand lodge of Elks in 1912 is a "clinch" if the entertainment fund is generously forthcoming, though no doubt is entertained that the entire \$125,000 will be obtained. It is emphasized that a good portion of it has yet to be pledged, meaning much strenuous work for committee-men, and much open-heartedness on the part of business Portland.
