BUSINESS CHANCES 20

THERE are wonderful investment opportunities in central and northern British Columbia along the lines of three transcontinental and other railroads building. This vast, new and rich territory of thirty million acres of the timber and mixed farming land, fifty million acres of rich mineral, timber and coal land, will develop with marvelous rapidity. Oregon is the geographical center on the line of all railroads building and projected and at the junction of 1000 miles of navigable waterways. You can get in now before the railroad and share in the profits by investing as little as \$10 per month. Let us send you a free copy of "British Columbia: A Guide to Information," containing up-to-date news of investment opportunities in this vast, new and rich country, also synopsis of government land mining, timber and coal laws, etc. Send your name and address today.
