Governor West Sees Objectionable Feature in Nottingham's Bill No. 123-Others Get Ax.

(Special Dispatch to The Journal. the ax today. Says the governor:

"This bill provides that the board of ever for the amendment. Mann's Bill Vetoed.

"The bill is objectionable," the governor contends, "in that it throws upon the abutting properfy owner burdens which should be borne by the entire community. The weeds he is forced by law to remove from the highway was to remove the highway was to r to remove from the highway may clearing the highway because he hapens not to be the owner of the adjoin-

npson's bill, house bill 305. Though the bill carries no appropriation, creates expenditures that would probably have to be met by the funds appropriated for the Oregon Agricultural colege, which might embarrass that incompanying this bill reads as follows: "This bill provides for the appoint-

ng bees in the state of Oregon. The connected with the office of the said tural college. As the appropriation for taking into consideration the burdens ing a hardship on the said college, and cause a deficiency. If there is need of a bee inspector in this state provisions should be made for the support of the

experiment station in Morrow county. In regard to this appropriation the governor's veto message reads as follows:

territory in and about Morrow county is taken care of by the Sherman county experimental station, and there is no meed whatever for the proposed station. The establishment of this station has never been recommended by any of the officials interested in these movements nor does there appear to be any demand

# **ADVENTUROUS BOYS** GO SAILING AWAY Factory Site

Dark, Are Rescued by Patrol Boat Man.

Disaster soon overtook John Burner 21 years old, of 534 Thurman street and Clarence Gamst, a 12-year-old youngster living in the same neighbor-hood, yesterday, when they started out

island. Again they became tired and allowed the launch to drift. The tide went out and left them stranded on the mud that shoals up the river for some

distance above the island. The boys remained in the boat ex pecting that any moment some other craft would happen along and pick them

up, but it began to grow dark and no aid reached them. The two castaways began to get cold and hungry.

Cries from the helpless pair finally attracted the attention of the watchman at the flour mills at about 7:30 o'clock in the evening and he immediately telephoned the harbor patrol beat-

the rescue. When the Lollipop, back went over to the O.-W. R. & N.

from the steamer Balley Gatzert, Even with the rowboat he could not room 12,

set any closer than 100 feet to the munch and he had to wade to the boat and carry the boys ashore. As he could not get a line to the Tacomis, she was left there to be floated off at high tide. The boys he sent home after extracting promise that they would not embark on such an adventure again.

(Special Dispatch to The Journal.)
Klamath Falls, Or., Feb. 23.—The location of a fish hatchery on Spring creek means that the Klamath country will always remain one of the best fish-ing grounds on the Pacific coast. Spring creek flows through the Klamath Indian reservation. It is formed by large springs from which it derives its name.

### From Catarrh

A Simple, Safe, Reliable Way, and it Costs Nothing to Try.

Those who suffer from catarrh know its miseries. There is no need of this suffering. You can get rid of it by a simple, safe, inexpensive, home treat-ment discovered by Dr. Blosser, who, for over thirty-six years, has been treat-

His treatment is unlike any other. It is not a spray, douche, salve, cream or dents residing in this state who may inhaler, but is a more direct and thorough treatment than any of these. It lungs so that you can again breathe freely and sleep without that stopped-up feeling that all catarrh sufferers Senate bill 11 by Malarkey, amend- up feeling that all catarrh sufferers ing section 7129 of Lord's Oregon laws, have. It heals the diseased mucous eliminating the five days in which a membranes and arrests the foul dis-purchaser of real property may file his charge, so that you will not be concharge, so that you will not be constantly blowing your nose and spitting, and at the same time it does not poison the system and ruin the stomach, as internal medicines do.

without cost, send your address to Dr. A bill introduced by Representative J. W. Blosser, 661 Walton street, At-Mann of Umatilia county, house bill lanta, Gs., and he will send you by re-119, making it the duty of the owner turn mall enough of the medicine to of land adjoining a highway to keep the highway free from certain noxious it as a remedy for catarrh, catarrhal headaches, catarrhal deafness, asthma,

MANY MEASURES MEET DIRE FATE: REASONS GIVEN

Salem, Or., Feb. 23 .- One of Senator Nottingham's bills, senate bill 123, got

regents of the Oregon State normal for over thirty-six years, school shall, under certain conditions, ing catarrh successfully. pay the transportation expenses to within 100 miles of said school, of stuwish to attend. I can not see at this time any good reason why the state should be called upon to pay the trans-portation expenses of such students." deed, was vetoed by the governor. The governor believes that such a law would open the way for fraud and he does not believe there is any demand what-

spring from seeds which have dropped from the wagon box of his neighbor, who is relieved from the duty of ng land," The governor also can find no need at present for a bee inspector in Ore-gon as provided for in Representative Thompson's bill, house bill 305. Though

stitution. The governor's message acment of a bee inspector and for the suppression of contagious diseases bill carries no appropriation, but pro-vides that the salary and all expenses inspector shall be paid out of the main-tenance fund of the Oregon Agriculthe maintenance fund of the Oregon Agricultural college was made without of this office, it would result in work-

The governor has also disapproved of house bill 368, introduced by Representative Mahoney, appropriating \$3000 for the establishment of an agricultural

"Such experiment stations are being stablished and maintained, through state and federal cooperation, at a number of selected points in this state. The ferritory in and about Morrow county and in the city.

11 acres, all tiliable, a fine loam soil, slightly rolling, all fenced, with four wires; 5½ acres under cultivation, all into FRUIT of the following kinds: 16 Arkansus Blacks 110 Saltes 110 Sa
