

## DELAWARE TO HAVE A STATE HIGHWAY

Million Dollars to Be Lent to State by Powder Magnate for Building.

Wilmington, Del., Feb. 24.—Delaware will have a highway the entire length of the state, 193 miles, that will have no superior in the country.

This was assured when it was announced that Coleman du Pont, multimillionaire, president of the du Pont Powder company, has offered to advance \$1,000,000 to the state for the construction of the highway.

It is his intention to make the proposed road the equal of any in the United States. He wants it to be 100 feet wide, but his advisers have urged him to make the dimensions 80 feet and possibly 60 feet.

## LAND SHOW TO MARK NEW ERA IN WEST

Los Angeles, Feb. 24.—The Pacific Land and Products exposition, which will be held in this city March 18 to April 2, is fortunate in having at the head of its affairs Motley H. Flint, former postmaster of Los Angeles, who has scored more successes as the guiding spirit of conventions and public spirited enterprises than any other man in the west. This sort of work always is a labor of love with him. Invariably he is pressed into service and never has he failed to respond to the call of his city. He is a busy man of affairs, a veritable fountain of work, and he has that rare faculty of imparting ginger to every thing he undertakes and to everybody with whom he is associated. Here is what he has to say about the Pacific Land and Products exposition.

"There is no doubt in my mind that the land show is going to make a new era in the history of the west. Naturally it is hard work just now, as we are laying the foundation for exhibitions to follow. But Los Angeles will awake on the morning of March 18 to the fact that she has on tap an advertisement of the resources of the west and southwest such as has never before been shown on the Pacific coast. And when the crowd of colonists and homeseekers have seen the exposition, made their purchases, and settled down on the Pacific coast, Los Angeles will realize the amount of work which is just now in the doing."
