A Reasonable Plea for the Stomach

If Your Stomach is Lacking in Digestive Power, Why Not Help the Stomach Do Its Work—Especially When It Costs Nothing to Try?

Not with drugs, but with a reinforcement of digestive agents, such as are naturally at work in the stomach? Scientific analysis shows that digestion requires pepsin, nitrogenous ferments, and the secretion of hydrochloric acid.

Stuart's Dyspepsia Tablets contain nothing but these natural elements necessary for digestion and when placed at work in the weak stomach and small intestines, supply what these organs need.

Stuart's Dyspepsia Tablets are at once a safe and a powerful remedy, one grain of these tablets being strong enough (by test) to digest 3000 grains of steak, eggs and other foods.
