Seedless—Fibreless—Juicy and Sweet—A Perfect Fruit

Until you have tasted a luscious "Sunkist" orange, you cannot begin to appreciate the excellence of oranges that are properly grown, rigidly inspected, carefully packed and swiftly transported. Serve "Sunkists" on your table tomorrow morning and learn the superiority of tree-ripened, fibreless, seedless, solid and sound oranges over the commonplace kind. "Sunkist" oranges are so nearly *all* food that they are much the cheapest kind to buy.

"Sunkist" oranges are *thin-skinned* and are *hand-picked*. The "Sunkist" orange is a firm, solid fruit. Ask your dealer for the "Sunkist" kind and make sure that each orange you get is packed in a tissue paper wrapper labeled "Sunkist." For these wrappers are valuable.

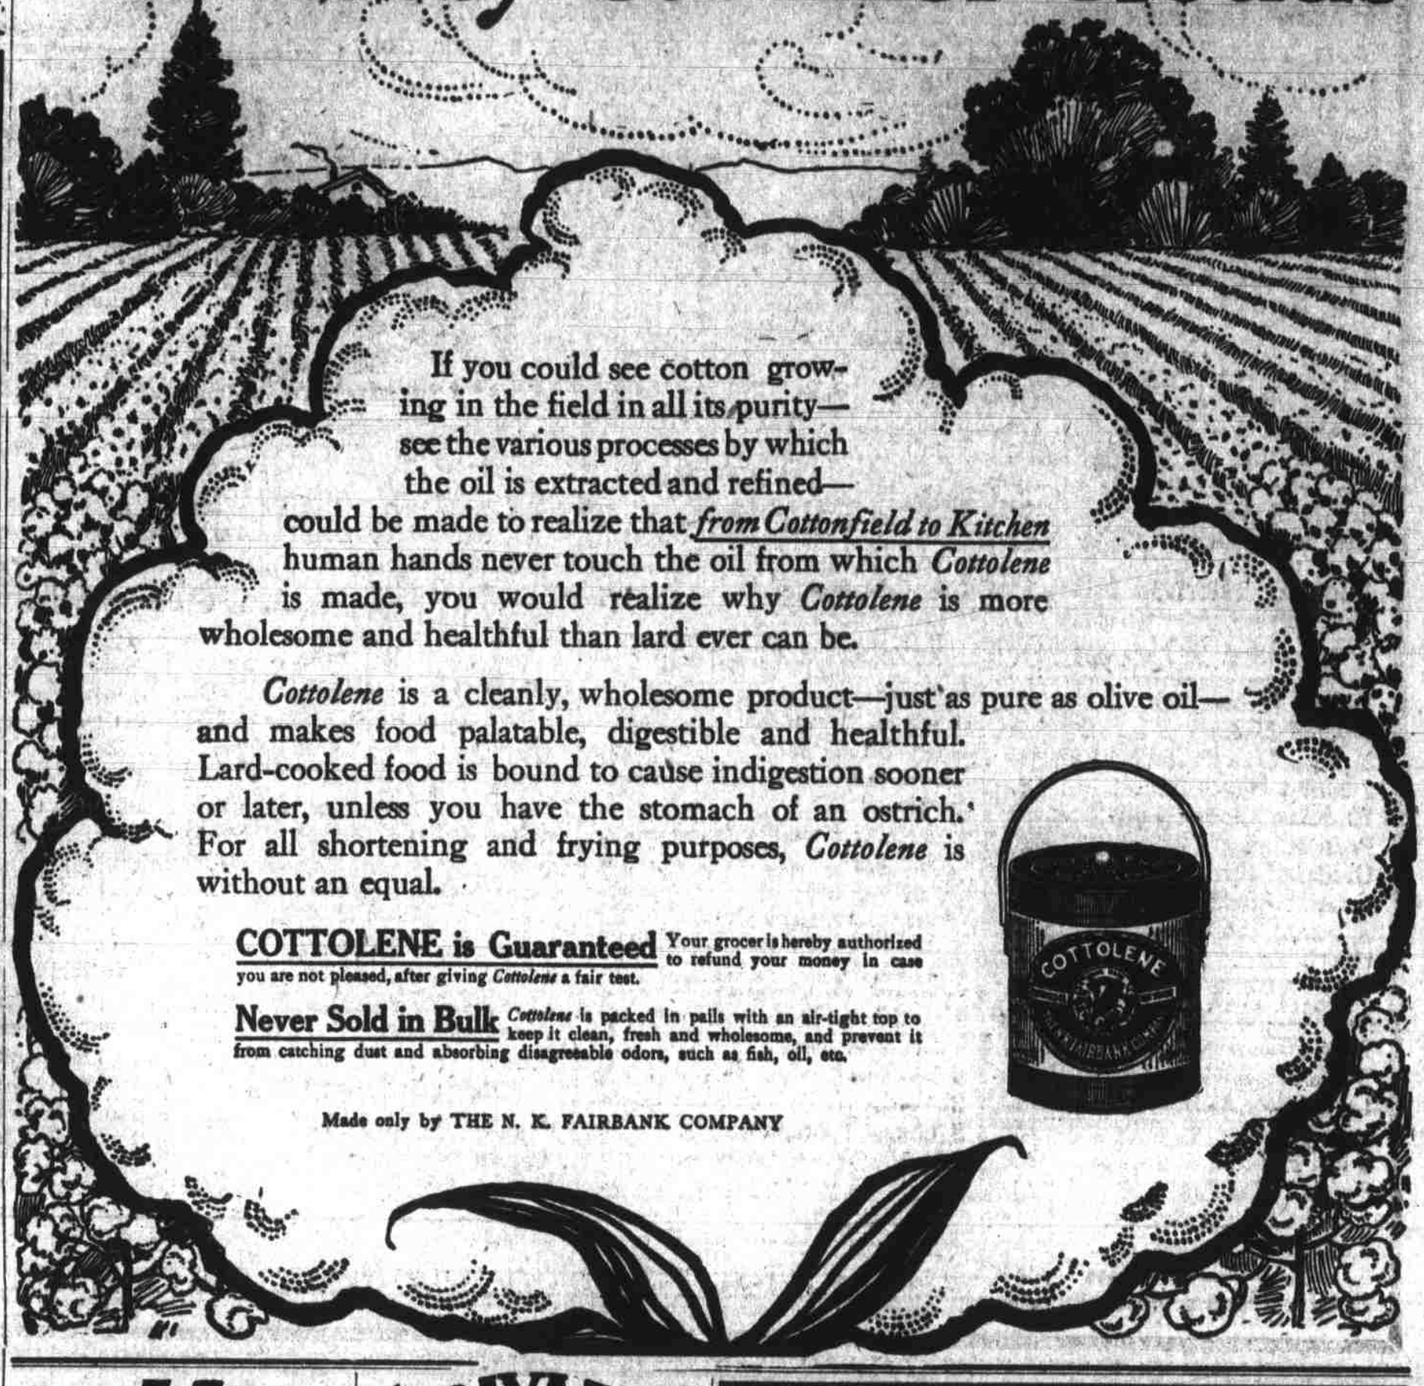
Cottolene
Like Fleecy Summer Clouds



If you could see cotton growing in the field in all its purity—see the various processes by which the oil is extracted and refined—could be made to realize that *from Cottonfield to Kitchen* human hands never touch the oil from which *Cottolene* is made, you would realize why *Cottolene* is more wholesome and healthful than lard ever can be.

Cottolene is a cleanly, wholesome product—just as pure as olive oil—and makes food palatable, digestible and healthful. Lard-cooked food is bound to cause indigestion sooner or later, unless you have the stomach of an ostrich. For all shortening and frying purposes, *Cottolene* is without an equal.

COTTOLENE is Guaranteed Your grocer is hereby authorized to refund your money in case you are not pleased, after giving *Cottolene* a fair test.

Never Sold in Bulk *Cottolene* is packed in pails with an air-tight top to keep it clean, fresh and wholesome, and prevent it from catching dust and absorbing disagreeable odors, such as fish, oil, etc.

The many uses of Gold Dust

If you were to use, for each kind of washing, cleaning, scouring and scrubbing, one of the so-called special preparations which are made, you would have an imposing and expensive array of chemicals, washing compounds, cleaning pastes, etc.

There is one cleaner that can take the place of them all, and without the need of borax, ammonia, kerosene or naphtha, and that is GOLD DUST.

Gold Dust has all desirable cleansing qualities in a perfectly harmless and lasting form.
