

HAWLEY ANXIOUS TO BE DICTATOR

With Bourne at Odds With Taft, Congressman Desires Patronage.

In Congressman Hawley seeking to take the place of Senator Jonathan Bourne as chief dispenser of federal patronage in Oregon? That he regards himself as next in line for presidential favor, so long as Bourne is in disfavor with the administration, is indicated by the pull he is said to be exerting for the appointment of C. V. Johnson, postmaster at Corvallis, as successor to the late General Owen Summers, in the appraisal of customs office in Portland.

This job pays \$3000 per year, and is one to which appointment is ordinarily made by the president on recommendation of the Republican senators or senators from states where such vacancies occur. But the recommendations of Senator Bourne, the only Republican senator from Oregon, no longer appear to count, as shown by the recent appointment of Colwell as marshal and of Matcain as collector.

Evidently this is where Hawley sees an opportunity to knock a few pessimists. He has recommended the name of Johnson, who is commanding strong support from other sources not all of them standpaters. Bourne is understood to have recommended another man, but it is doubted whether he would make a stubborn fight in opposition to Johnson should the Corvallis man be appointed.

Hawley is the senior congressman from Oregon, and is just entering upon a new term. He has been a friend of Cannon and has stood with the standpat element in congress. While he voted against Canadian reciprocity, his record is such as generally commends itself to Taft. Lafferty is a newcomer, he is an insurgent, and he is not in favor with the general land office. His advice is not likely to go far with the administration. With Bourne and Lafferty out of it, Hawley probably hopes to be the whole thing.

Here he may strike a snag unless he makes an alliance with Ralph E. Williams, national committee man, and the Fulton following, for Williams apparently has the ear of Frank H. Hitchcock, and Hitchcock has the ear of Taft. It is surmised that Williams may not be strong for Johnson as an appraiser, and if he goes to the bat for someone else,

the president will have choice of three offerings—one by Williams, another by Hawley, and a third by Bourne.

Big Success in Almonds and Chickens

Almond trees are producing heavy crops yearly at Sundale on the north bank of the Columbia. So great is the demand for almonds that 15,000,000 pounds are brought in annually against a 5-cent a pound duty. This makes a good market for Sundale almonds. Peas don't bother and nuts are easily harvested. Chickens and chickens feed so splendidly in an almond orchard. The same climate suits both. Excursion on Saturday, March 27th. **WYBURN LAND CO.**, 409 Wells-Fargo Bldg.

SEVENTEEN YEARS OF SUCCESS IN TREATING MEN

We Cure Nervous Exhaustion
Also known as Nervous Debility, Nerve-Vital Debility, Neurasthenia, etc. If you have any symptoms of this disease, such as loss of energy or ambition, vitality, easily fatigued, dull, listless feeling, nervousness and other symptoms, I want you to be seen and call. I have given this condition of men special study and I unhesitatingly say that my treatment is not excelled by any other specialist regardless of what they may claim. I know what I have accomplished in even the most severe cases—letters of endorsement are on file, and there is no reason to believe that I cannot cure YOU also. REMEMBER by calling you do not obligate yourself to take treatment.

We Cure Kidney and Bladder Diseases
Any disorder of the kidneys and bladder, no matter how slight, should be treated by an expert specialist. Patented medicines and treatment of inexperienced doctors cannot be depended upon to cure them, which you no doubt have found out if you have been afflicted for any length of time.

Too frequent desire, retention of or too profuse, sediment or brick dust, burning, scalding sensation, highly colored, pains in the back, dry, pale, waxy skin, etc., are symptoms that should not be neglected for moment. If you call I will make a careful, expert chemical and microscopical examination—an absolute test—without charge, and give you information and advice of value.

We Cure Varicose Veins
I daily demonstrate that varicose veins can be cured, in nearly all cases, by one treatment, in such a satisfactory way that a healthy circulation is rapidly reestablished instead of the depressing conditions I guarantee you a cure or refund the money.

We Cure Specific Blood Poison
This, as you doubtless know, is the worst disease that afflicts mankind, having not only wrecked the lives of thousands of men, but women and children as well. If you have any of its symptoms you cannot afford to neglect them for a moment. Rash or copper colored spots, running sores, pimples, ulcers in the mouth and throat, or face, hands and other parts of the body, falling out of hair and eyebrows, are all unmistakable signs of this dread disease. I have cured cases of Blood Poison after Hot Springs had failed, and if you call I will make a careful, expert examination of your case and tell you positively whether or not the disease is present, and if so I am prepared to give you the best treatment in existence.

We Cure Contracted Disorders
Newly contracted cases quickly cured. All burning, itching, inflammation and soreness are allayed, the prostatic, inflammation and soreness are allayed, the prostatic, inflammation and soreness are allayed, the prostatic, inflammation and soreness are allayed.
