

## ERIN'S INCENSE ASCENDS TONIGHT

Two Evenings and a Day Devoted in Portland to St. Patrick.

Portland will be celebrating St. Patrick's day tomorrow, beginning tonight. Most of the entertainment will be furnished by the Catholics, but all others are invited to attend any of the services freely.

The streets will be scenes of extended celebration. "The Wearing of the Green" will be practiced practically by the quarter million or so folks expected to buy Shamrocks at a dime each from the 2000 women who will be selling all day for the benefit of the motherless babies at St. Mary's orphanage near Oswego. At St. Lawrence hall in South Portland and in St. Patrick's church in North Portland special meetings will be held tonight and the speakers, respectively, are Father McDevitt and Judge Kavanaugh. At the same time the Ad Men's club will be having its own celebration at Foster & Kieiser's on the East Side.

Special services are also announced in nearly all the Catholic churches tomorrow morning at 8 o'clock. In St. Patrick's church the general service will be held, and then tomorrow evening under the auspices of the Ancient Order of Hibernians, another general meeting at which Father Brophy, just arrived from Ireland will be the principal speaker, and Frederick Goodrich, a chorus of 50 voices, and the soloists, Mrs. Raymond Sullivan and Frank Hennessy, will furnish the music. D. J. McLoughlin will preside.

In Portland there are many of the Irish who came from Ireland and accumulated dollars in the west. They are as loyal to the memories of the old country as they are patriotic in the new and tomorrow they will shout Erin Go Bragh (Ireland forever) with full lunged pride that will make the day memorable.

In addition to the regular program of music and the bill of features at the Orpheum a special program of Irish music has been arranged by Professor Bettman in honor of St. Patrick's day, and will be played at afternoon and evening performances tomorrow. The music will embrace all of the national airs of the Emerald Isle.

### SUPERINTENDENT BACK BUT NURSES STAY OUT

(United Press Leased Wire.)  
Seattle, March 16.—Dr. W. H. Corson, at one time superintendent of the county hospital, will be reappointed, it is announced today, and he will try to get enough nurses to handle the 250 patients immediately. Since the 12 nurses walked out on strike for higher wages and shorter hours, one head nurse and minor employees of the institution have been caring for the patients.

Miss Retta McGregor, former head nurse, whose name was dropped from the payroll on Tuesday, said today that no nurses could be obtained to take the places of the strikers at \$45 per month, and that the 250 patients would be practically uncared for.

## MILLIONS TO EXPAND SOUND STEEL PLANTS

(United Press Leased Wire.)  
Seattle, March 16.—According to a statement today by James A. Moore, president of the Western Steel corporation, more than \$10,000,000 will be invested in the company's plants near Seattle by English capitalists in the immediate future. This money will be used, Moore says, in extending operations in the steel mills at Irondale and New Westminster, B. C.

### To Make Hair Clean and Glossy

(From the Toronto Times.)  
"Your hair will grow in beauty and color, and brilliance and luxuriance, if you will stop drenching and rinsing it with soap and water and use only a dry shampoo powder, sprinkled on the head once a week and brushed thoroughly through the hair."  
"More dry, dull, brittle and faded hair can be traced to too much moisture than to any other cause. A good shampoo powder will remove every particle of dust, oil and dandruff from the head, leaving the scalp clean, cool and refreshed and the hair glossy, soft and silky."  
"To make a shampoo powder simply mix four ounces of therox with four ounces of orris root. Therox tones up the hair from root to tip, and you need use no other tonic."
