## STEAMER SUNK BY **ICEBERGISCOMING** HERE FOR REPAIRS

Yucatan, Raised From Straits After a Year, Will Be Overhauled and Placed into Service Again.

ill-fated steamship which was wrecked in Ley Straits about a year ago, will arrive at Portland within a day or two. She will be overhauled and put in operation between this city and California points, according to advices received this morning from Se attle

J. F. Shaver, engineer for the North Pacific Steamship company, is said to have applied at the Port of Portland for a towing rate on the Yucatan between Victoria and this city. The Yucatan is lying at the former city, and will probably arrive here within the next couple of days. On her arrival here the Yucatan will

be repaired and refurnished on the port's drydock, and the work will be flone by day labor instead of by con-She will work with the George W. Elder and the Roanoke.

Agent Higley stated this morning that no word had been received from Victoria, stating whether the vessel had

It was on the morning of Pebruary 16, 1910, that the Yucatan suffered a disaster in the Icy Straits. She was fighting her way through a blinding snowstorm when she collided with an iceberg and sank after proceeding about a mile from the scene of the collision. All her passengers-65 in numberwere put safely ashore on Chicago isl-

The matter of adjusting the insur-ance on the vessel entailed considerable difficulty, but she was raised and sold last May. She was towed to Juneau and finally taken to Victoria where sue has been lying since

#### ROSE CITY NOT HURT

Collision Inflicts No Damage Appar ently; Brings 400 Passengers.

The Rose ('fty arrived at Portland at 9:20 last night, apparently none the worse for her accident at San Francisco. She brought 400 passengers and 2000

Captain Mason states that the voyage was uneventful and that the vessel suffered no impairment by reason of her recent collision.

G. L. Blair, general freight agent for the San Francisco-Portland Steamship company, arrived on the Rose City and remain in this city about three weeks, he says. Mr. Blair states that there is nothing "in the wind" and that this visit is only a periodical one; that he s just looking things over.

CHAMPOEG RESUMES WORK

Dredge and Pile Driver to Be Taken to Wheaton.

The Mathloma will take the dredge Champoeg and a pile driver up the rive: tomorrow to Wheatoh to resume where it left off by reason of bad weather last winter. The condition of the bars where work has been done is said to be satisfactory. Major McIndoe and Assistant United States Engineer E. B. Thomson will inspect the work this week. The Mathloma will return to her work of snagging, after taking the Champoeg up the river.

### TARIFFS ARE READJUSTED

Old Rate on Wheat and Flour to the Orient Is Restored.

W. Ransom, Portland agent for the San Francisco Steamship company. returned last evening from Seattle, where he went to attend a meeting of the Transpacific traffic bureau

At this meeting, as was anticipated, orient were readjusted and placed back where they were before the rate war began, about two months ago. The rates now on wheat and flour

to Hongkong and Japan ports are \$3. and to Shanghai and Manila ports \$4.

The Harriman people secured the grade about a year ago and nothing was done with it until quite recently, when tracklaying was commenced. The the "Spirit Paintings," are attracting grade was purchased by the Southern unbounded interest at the Orpheum this Pacific. It is also figured that by building diagonally across the state of nomena of spiritualism are puzzled to Idaho, the distance between Butte, Mont, account for the fact that copies of fa- and San Francisco will be materially shortened, while at the same time very large territory would be placed

Mr. Redway is in Portland today accompanied by his wife, returning home mayor of St. Johns yesterday over Dr. from a month's stay in California. He A. W. Vincent, Socialist, by a vote of speaks very enthusiastically of Port- 331 to 147. Frank A. Rice won for and's future and incidentally, too, about the future of Caldwell.

"Caldwell realizes the excellent re suits of good, clean publicity," said Mr. Redway, "and we maintain a commercial club along the lines of the Portland club, although of course on a smaller scale. We pay our secretary \$3000 a year, a good salary for a town of but 5000 inhabitans, but we have found that it pays. We are getting a good class of people from the eastern and middle states and 'the country is developing very rapidly.
"The fruit unit of the Boise-Payette

government irrigation project is now ompleted, which means that about 75,000 acres of land will be brought into cultivation in the country tribu-tary to Caldwell. Much of this land was recently homesteaded.

"Caldwell's population has increased 400 per cent in the past 10 years and we have now four banks and a large number of business houses. The rapid growth and development of our country really form a part of the tremendous backing that will make Portland one of the great cities of the land."

ompany has again made an attempt to occupy city streets without a legal right to do so, Councilman J. T. Ellis this morning informed City Attorney Frank S. Grant by telephone that a railway track has been built along portions of Lombard, East Tenth, East Thirteenth and East Eleventh. Thirty-third streets by the company.

The city attorney advised Mr. Ellis to file a formal complaint against the company in the police court and in-structed the councilman to present his information to Deputy City Attorney Ray Sullivan, who has charge of matters pertaining to the municipal court

The track complained of by Council man Ellis is a portion of the line being built by the railroad company between St. Johns and Troutdale, and is laid across the peninsula for the mest part, on private rights of way.

#### UNCLE SAYS YOUTHS REQUIRE A GUARDIAN

Proceedings are in progress today in cointed for Harry C. Smith and Alfred T. Smith, an action they are contesting William Smith, uncle of the two boys save they have become incorrigible and that they have escaped the control of an uncle who has them in charge. The uncle lives at 1355 Garfield avenue. s set forth that the boys are partly of indian extraction and are entitled to uition in the United Staes Indian school a Chemawa. The boys are 16 years old.

#### COMMITTEE ON WAGE SCALE IS APPOINTED

Percy R. Coburn, president of Multnomah Typographical union, said today that a committee had been appointed to attempt an adjustment of the proposed wage scale which will be satisfactory to prembers of the dnian and acceptable to employing printers. The report of this committee is expected in a few

#### MOST OF \$35,000 GOES TO WIDOW OF POLIVKA

The will of Joseph Polivka was admitted to probate this morning in the county court. The estate is valued at \$35,000 and the widow is named as ex ecutrix. Special bequests are made to in which they are each given \$1000

# \$84,000 IN TAXES PAID ON LAST DAY BY TAFT, ACCUSED

Delinquent Property Owners Must Now Pay 12 Per Cent Penalty and Interest.

The county tax books were closed ast evening at 10 o'clock. All persons who have not paid their annual installments will now be required to pay a penalty of 10 per cent, and interest at the rate of 12 pm cent a year. Property upon which the taxes are not paid by the first Monday in interest plus 50 cents for a certificate

paying taxes in the regular form, it that is staring Thaddeus Potter, con The tax collecting department took in \$74,217 in cash, and about \$10,000 in checks. Many property owners put off paying their taxes until the last day, and were forced to wait in line for a considerable length and to pay a fine of \$500. The case of time. There were a few who came was carried by appeal to the highest of time. There were a few who came be added to the penalty.

While it will be several days before the department will have reached the and others, the president granted Pottotal of the collections for the last 60 ter a pardon conditional upon his paydays, a rough estimate of money taken ing a \$80 fine and costs. In is \$5,000,0000. This leaves something Potter was jubilant until This is considered a small amount, as the delinquency, some years is much heavier. Despite the fact that taxes were unusually high this year, Port-land property owners have been prompt in meeting their obligations.

All persons who have paid one half Monday in October to pay the remain-If it is not paid then, the delinquency dates back to April 1. Certificates of delinquency are issued on the first Monday in October. Property can be redeemed any time, however, within three years by paying the penalty and

#### FARMERS ARE TOO BUSY TO ELECT SCHOOL BOARD

(Special Dispates to The Journal.)
Dayton, Wash., April 4.—Although the election of school officers in the 53 districts of Columbia county was scheduled to be held two weeks ago and in a few of the districts was held, in most of at the election last November. The lack the districts the farmers were too busy with farm work to give any attention to the elections. The result is that directors will probably have to be appointed by the county school superin-

#### PLAGUE INFESTS JAVA: BATAVIA IS HARD HIT

(United Press Lessed Wire.)
The Hague, April 4.—With the receipt today of official confirmation of the presence of the plague in eastern Java, was learned that in the vicinity of Malang alone there have been 46 cases, 26 of which terminated fatally. A telegram from Batavia stated deaths there exceeded 100.

# THOUGH PARDONED MAY SERVE TIME

Thaddeus Potter. Unable to Pay Costs of Conviction in Land Fraud Case, Finds Self in Dilemma.

To have been pardoned by the presi-October will be declared delinquent and dent of the United States and yet have sold. It will then cost the penalty and to go to jail to serve out the very senfor the nation's executive interfered in Since yesterday was the last day for his behalf, is the peculiar probability victed land fraud operator, in the face, Potter was convicted in the Silet: and Blue mountain cases of conspiracy to defraud the government. He was to pay taxes this morning, and were United States courts and resulted in an charged the 10 per cent penalty. After affirmation of the judgment of the low-today the interest at 12 per cent will er court. Finally President Taft was appenied to and after due deliberation and consultation with Francis J. Heney

Potter was jubilant until he found the in the neighborhood of \$1,000,000 unpaid. amount of the fine-\$2000. He has no money and is unable to pay that amount, There was one ray of hope left-he could go to jail, he thought, for one month and then take the pauper's oath, which would absolve him of all future responsibility for the fine and osts, as the federal statutes do not their tax will be given until the first permit of imprisonment for more than 30 days to work out a fine.

It was supposed this would give way out of the difficulty until today District Attorney McCourt's office found the United States law states that all conditions imposed in a pardon given by the president must be performed if the pardon is to be taken advantage of. Otherwise the pardon amounts to nothng and the sentence must be carried

So probably Potter will have to go to jail and serve out his original sentence, losing all the fruits of the long fight he and his friends have made to secure executive clemency.

#### MAY REMOVE SOME OF APARTMENT RESTRICTIONS

old a meeting at the city hall this afternoon to consider important proposed seems to have done good, but Oh my hanges in the new building code. These ontemplate the removal of many restrictions thta at present govern the erection of apartment houses. The question of whether the building inspection department, or the fire department has skin: authority over the construction of fire escapes on old buildings will also be considered at an early date.

All the mechanism in a new lighthouse off the English coast, including that of a fog siren, is controlled by electricity from a house on shore a mile away, in which the keepers live.

# SOCIALIST CLERIC IS BUTTE'S MAYOR

Minister Sweeps Montana City With Greatest Plurality Ever Given There.

(United Press Lessed Wire.) Butte, Mont., April 4.-By the biggest plurality ever given a mayoralty candidate in the history of Butte, Rev, H. L. Duncan, Socialist and Unitarian minister, swept the city over J. J. Quinn, Democrat, by 1834 votes. Complete returns today show that Duncan carried every ward in the city except

In addition to electing the mayor, the Socialists also elected a city treasurer, five out of nine aldermen and supplied all the police judges. Socialists in Walkerville, a Butte suburb, elected two of the three aldermen.

#### HIS RETURN TO PORTLAND IS FOLLOWED BY SUIT

After wandering over several western states, W. H. Turner has returned to Portland, and is made defendant in a sult for money borrowed in 1901. Wil-liam La Freeman brings the sult, and alleges he loaned Turner \$200 in that year. Promises to pay were made, but never fulfilled, he says. Turner returned to Portland last February, and again promised to pay the debt, but has failed to do so, it is charged. The suit was filed this morning by Freeman in the circuit court.

Drilling for oil is in progress in the Liberty district, three miles southwest

"Gives Any Woman A New Skin"

Lillian Langley in The London Fashion, (Eng.)

"Within the last three months, I have answered over 1000 letters, from women asking one and the same question:-What shall I do for my complexion? and, although I dislike to write for publication, my knowledge of tollet articles will put any woman's mind at rest as to what she should use.

"After 25 years of study in the treatment of the face, neck and arms, I find that few women know how to really im-The usual prove their appearance. treatment of the beauty specialist is a dangerous thing, as it is too harsh. It shortly hair starts to grow, and such a ot of wrinkles, and the skin soon becomes rough and red and is all dried up. "The following simple home recipa will practically give any woman a new

Dissolve an original package of Mayatone in 8 ounces of witchazel. Massage the face, arms and neck with this solution twice daily. This will remove all shine from the skin, giving it a natural, dainty color. It prevents the growth of hair, and is aboslutely harmess even to a baby's skin. All sorts of facial blemishes will soon disappear, and also the stray hairs."
