## SEATON'S ARM AND VANCOUVER TRIMS TRIPLE PLAY WIN NICKS ONCE MORE

### Beavers Take Second Game in Row From San Francisco Club.

(Special Dispatch to The Journal.)  
 San Francisco, May 13.—Tom Seaton was unbeatable yesterday and Portland scored a 6 to 1 victory, incidentally featuring the game by their second triple play of the week against the Seals.  
 Portland began scoring in the first inning when, with Chadbourne out, Ryan was safe on Mohler's error and Seaton second, Tommy Sheehan was there with the pinch hit and his single put Ryan across the plate.  
 San Francisco tied up the score in the fifth inning. With Mohler a flyout, Vilt was hit by a pitched ball and promptly stole second. He came home on Berry's single.  
 Portland put the game on ice in the sixth inning, when three runs were rushed across the plate. With Seaton and Chadbourne out, Ryan clouted out a double. Sheehan walked and Ryan went to third when the fourth ball was a bad one. Sheehan stole second and Krueger singled, scoring the pair ahead of him. Krueger then pliffed the key-stone sack and came home on Rappa's single. Peckinpugh fanned for the third out.  
 Another Fair in Seventh.  
 The Beavers put another pair across in the next inning. Rodgers walked and Murray sacrificed. Then Seaton tripled, scoring Rodgers. Chadbourne made an infield hit, but Seaton couldn't score on it, coming in a moment later on Ryan's nifty squeeze play. McArdie to Tennant.  
 It was in the eighth inning that the Beavers pulled off this second sensation fielding stunt of the week, triple plays seeming to become a habit with them.  
 Seaton had developed a sudden wild streak and had passed McArdie and Jimmy Lewis. Tennant drove a line into Rappa's glove and that worthy tagged Lewis, who was taking a long lead. With lightning speed Rappa pegged to Peckinpugh and McArdie was caught before he could get back to the plate, completing a faster and niftier triple play than on last Wednesday.

### Chase Two Pitchers and Give Third Good Beating Afterward.

Vancouver chased two Portland pitchers, Lamline and Berger, out of the box yesterday, and gave Billy Bloomfield a life sized beating before the nine innings were over. On the other hand the battle scarred veteran, George Engle, allowed the Nicks but three measly bingles of a widely scattered variety. The score was 11 to 1.  
 Portland was saved from a shutout in the fourth inning when Miller, who replaced Stovall in right field, was safe on Brashear's error after two men were out. Miller, by his home base, Mundorff brought him home with a double to right field. Williams walked and a rally seemed imminent, but Mensor struck out.  
 In the seventh inning Ort was safe on a fielder's choice and stole second, taking third on Spelman's bad throw. Harris, however, was an easy third out, Engle to Brashear.  
 The Vancouver runs came with monotonous regularity. They made three off Lamline in the first and one in the second, three off Berger in the fourth and the rest off Billy Bloomfield.  
 Although it was ladies' day there was a small crowd owing to the cold weather, which made sitting in the stands uncomfortable.

### Dayton and Pendleton Also Register in First Varsity Games.

(Special Dispatch to The Journal.)  
 May 13.—In spite of inclement weather the University of Oregon's first inter-scholastic track meet was pulled off here yesterday afternoon, the honors of the affair going to the Washington high school of Portland, with 34 points. Dayton high school, with 18 points, and Pendleton with 14 points, were second and third. The other schools follow: Jefferson high school of Portland, 11; Oregon City high school, 10; Lincoln high school of Portland, 8; Salem, 8; Newburg, 8; Columbia university, 7; Eugene, 5; La Granda, 5; Medford, 5; Astoria, 5; Johns, 5; Enterprise, 2, and Portland academy, 2.  
 The preliminary heats and the finals of the 120 yard hurdle events were pulled off in the morning. The heats were also pulled off at this time. A blinding rain fell intermittently during the forenoon and the track was a sea of mud. Bright sunshine and a slight breeze in the afternoon soon dried off the track until it was in fairly good shape. With the meet was not a record breaker, the performances were good considering the condition of the track and the fact that there were necessarily a great number of heats in all of the short runs.  
 The Washington high school, winner of the meet, will become the winner of the Sigma Chi trophy. The winning relay team of the Pendleton high school, will become the owner of the Sigma Nu cup. Barber, of the Washington high school, winner of the 440 yard dash, will receive a cup, the gift of Trainer Hayward. The Kappa Sigma cup, to be presented to the highest point winner, is shared by Dayton high school, which has ten points to their credit. These men are Grant of the Washington high school, winner of the 100 and 220 yard dashes; Ribes of the Jefferson high school, winner of both hurdle events; Barber of Washington, winner of the quarter and half mile runs, and Foster of Dayton, winner of the hammer and shot. Only one record fell before the efforts of the "prep" athletes. Foster of Dayton high school tossed the hammer 149 9-10 feet, establishing a new record for northwest "prep" schools.  
 Abbreviations for Towns.  
 For brevity terms are as follows: St. J., St. Johns; O. C., Oregon City; C. C., Cottage Grove; P., Portland academy; M. Medford; L. Lincoln; J. C. Junction City; Wd. Woodburn; J. ### Riverside Driving Club Puts Ban, Also, on Artificial Flowers.

A meeting of the Riverside Driving Club was held last night at Dr. Emmett Drake's office to arrange for the horse and vehicle parade during Rose Festival and the season produced the information that a large number of entries were already in and that the affair would be the most attractive yet given.  
 F. O. Downing was appointed grand marshal for the parade. He has served in this capacity before and is very well qualified for the position. He will select his aids in a few days.  
 Dr. Drake, chairman of the horse and vehicle parade committee, appointed a sub-committee to select a suitable location for the formation of the column. Mr. Downing was appointed chairman and A. C. Lohme and W. M. Davis make the committee complete. They will also look after the routing.  
 The formation location is a very important matter, shade being necessary to prevent the sun wilting the freshly cut flowers.  
 Will Allow No Advertising.  
 An important point was brought up at this meeting, it being decided that no advertising of any description will be allowed. Special men will be appointed to see that is carried out. Many complaints were received in previous years owing to decorated bugs being compelled to compete with advertising vehicles.  
 The committee decided that no artificial flowers of any description will be allowed and that roses will be given the preference over wild flowers. Wild flowers make a very beautiful display, but as this is a rose show, roses must be given the preference.  
 Entries will be open until 12 o'clock Tuesday, June 6. No vehicle may be entered after that date. The committee will invite a number of the nearby valley towns to compete here and will do all in its power to aid them. Another meeting will be held next week.

## HEIGHTS BOWLERS FINISH SCHEDULE

### Mrs. McManamy and L. H. Steele Winners in Close Finishes.

Portland Heights bowlers closed the season with most exciting finishes in both the men's and the women's tournaments for the silver cups, L. H. Steele and Mrs. Frank McManamy winning.  
 The result in the men's contest was in doubt up to the last frame of the series of forty-eight games. The fight for first place between the two leaders, L. H. Steele and George W. Lilly, was keen and exciting to the last. Steele finished with a total of 8835, beating Lilly out by the remarkably small margin of nine pins. Lilly scored 8826.  
 The thirty-game contest in the women's tournament was no less exciting, with Mrs. Frank McManamy and Mrs. M. H. Lamond battling for first place. The result in this tournament was also in doubt up to the end of the 30 games. Mrs. McManamy finished with 3485 pins to her credit, beating Mrs. Lamond out by 16 pins. Mrs. Lamond, who won the cup last year, scored 3469 pins. The cups will be competed for again next season, having to be won three times before belonging permanently to the contestant.  
 Three Hurlers Can't Stop Oaks.  
 (Special Dispatch to The Journal.)  
 Los Angeles, May 13.—The Oaks ran away with the Angels yesterday and defeated them by a score of 12 to 0.

## LESTER BREAKS WRIST AND LOSES TO B. LANG

Sidney, N. S. W., May 13.—Bill Lang, the Australian heavyweight, today won his fight with Jack Lester, Tommy Burns' protegee, in the sixth round. Lester broke one of his wrists and was practically defenseless. Lang being given the decision. Lang was the favorite in the betting.

## McFarland's Belt Today. In their ten round bout here the Chicago scrapper gave Kilbane one of the most artistic beatings possible, hitting him just hard enough at all times not to knock him out. McFarland's courtesy alone permitted Kilbane to stay the limit.

Santry Knocks Man Out.  
 South Bend, Ind., May 13.—Eddie Santry is in the "come back" class today. He knocked out Jack Ryan with ease in the third round of their scheduled 10 round bout.

### A. G. Smith M. D. Leading Specialist for Men

I am the only Specialist in Portland who uses his true name and photograph in his announcements. I see and treat my patients personally, and am not a "medical company," "medical institute" or a "medical system." All men should know who the doctor is they consult, and should carefully consider whether they desire to entrust their health with a hired doctor of a medical company. I use my photograph so that when you come to see me personally you will recognize me. Investigate my personal standing before accepting treatment from a doctor of unknown identity or reputation.

## Are You

Being treated in a satisfactory manner by your present doctor? Is he carrying out his promises? Has he cured you in a reasonable time, and lived up to his guarantee? Are you paying him exorbitant prices for medicine? Does he employ thoroughly up-to-date and scientific methods, which would be approved by the regular family doctor? If you cannot answer these questions favorably to yourself, come and have a confidential talk with me about your case. It will cost you nothing.

## Cured in Five Days

I cure such disorders as Varicose Veins, Hydrocele, Piles, Specific Blood Poison, etc., completely and permanently. Often with only a single treatment. No severe operations employed, nor detention from business. I especially solicit stubborn and long standing cases that other doctors have failed to cure.

## Examination Free

I offer not only FREE consultation and advice, but of every case that comes to me I will make a careful examination and diagnosis without charge. No ailing man should neglect this opportunity to get expert opinion about his trouble.

## Chimmie's Column

The less said about yesterday's "ring around a rosie" the better.  
 The crowd was the smallest we have ever seen on ladies' day.  
 Lamline ascended the mound in the first inning for the Nicks and while he wasn't at his best his support was very much on the blink. Manager Williams is having his troubles these afternoons.  
 You couldn't guess whose gentle voice was missing in yesterday's game. Doc Anderson's first time in the history of baseball that Doc ever missed a game on Friday.  
 The grounds acted as a refrigerator. It was so cold that you had to pinch yourself to see whether you were all there or not. Archer and the boys who were chased off the bench in the seventh inning said that Kane was a lifesaver when he chased the boys to the clubhouse, they were freezing to smithereens.  
 Talking about something that did resemble the national pastime, it would be well to mention that one Jimmy Adams is playing a grand fielding game and looks like the one best bet on that Vancouver outfield. Yesterday in the first inning he went to the fence for Casey's drive that looked to be going over, but Adams leaped into the clouds for it and Casey was out.  
 Just to show you what luck is, Engle ducked away from one of Lamline's shots, and in doing so he hit the ball past third base for a single. The Nicks were lucky to get it out of the infield. One horseshoe is good luck but a pile of them is junk. Whoop!!!  
 Billy Speas and George Ort were back in the game again. That they are popular is attested by the reception the "vast assemblage" gave them.  
 In the fourth inning we had to use extra space to score in. Eleven Vancouver batters faced the pitchers and it looked like the mobilization of the Mexican army.  
 Sheriff Stevens and Judge Gatens stated that if they had not paid 10 cents for their cushion they would have gone home about the fourth inning. That's where "Smiling" Metzger is a factor in keeping the people seated.  
 Even Brownie, the mascot, deserted the bunch in the sixth inning. It was awful for Brownie to be a deserter, but it couldn't be helped.  
 In the seventh inning, Archer, Snooks, Tenneson, Berger and Garrett were shamed off the bench for kicking at the "umps." "Get out of there," shouted Kane at the squad. "I never said a word," replied Gough, who thought he might get by. "Makes no difference; get out of here," came back the "umps," and they did a broad line parade to the club house. Gough showed the fanettes a few of those good steps in the "Frisee rag" that helped the day's exhibition along.

## OREGON AGGIES BLANK GEM STATE'S TOSSERS

Oregon Agricultural College, Corvallis, May 13.—Coach Walker's ball tossers shut out the Idaho University team here yesterday taking the game by a score of 9 to 0. Idaho failed to get a man past second base and on the other hand contributed a series of errors which allowed the local men to pile up many unearned runs.  
 The scoring commenced in the fourth when, with two men down, the visitors' second baseman let a throw past and allowed Keene to score from second base. In the next inning the Idaho team took a balloon ascension and allowed the Corvallis boys to send home three men. From this time on the local team scored almost at will.  
 Reiben pitched a strong game for Oregon and was given excellent support. Robinson was hit hard but if he had been properly supported would have held the score down to a smaller margin.  
 The batteries were: Reiben and Wolff for Oregon Agricultural College and Robinson and Williams for Idaho.

## Be The Man You Used to Be

Wouldn't you like to be the man you were a few years ago; to have the same ambitious spirit, the strength and vitality that you used to possess? Wouldn't you like to be free from pains and aches and to feel that you are the equal in strength of any man of your age? You can be if you obey the appeal here made to you.  
 All that you lack is vitality—new life. You are like an engine without steam—you haven't the motive power to keep the machinery of your body working properly. Anything that will restore your "steam" will make a new man of you. Drugs have been tried and have failed. You know that; but Electra-Vita will not fail; it is electricity, and "electricity is life." That is what you require, and the proper use of Electra-Vita will give you health and happiness.  
 Electra-Vita is a scientific device for saturating the human body with a powerful but soothing current of electric life, for hours at a time, without the least shock or unpleasant sensation. It generates a constant, unbroken stream of electricity, which it sends coursing through every nerve and tissue of the body, restoring vitality and strength and giving every weak or inactive organ the power to do its work as nature intended. When your body has sufficient electric energy to satisfy the demands of nature, weakness and disease cannot exist.  
 Electra-Vita is a self-charged body battery, for home use. It is not like electric belts, faradic batteries and other contrivances you may have seen or used.  
 Men who are nervous, run down, weak and unambitious will find that electricity, as supplied by Electra-Vita, will quickly put them in good condition.  
 The man does not live who cannot be made a better man by the application of Electra-Vita. Those who have used it say that it is the grandest invigorator of the age.  
 Because you have experimented with faradic batteries or taken electric treatment from physicians without being cured is no reason why our method should prove a failure. The doctor's battery can only be applied for a few minutes at a time, and that is not enough to effect a cure. Besides, that method is inconvenient and expensive. Electra-Vita can be used all day or all night without interfering with your work or rest.
