Any one wishing to add to their weight, improve their color, and restore a normal condition of the stomach and nerves, should adopt the wonderfully successful treatment known to physicians and druggists as "3-grain hypo-nuclane tablets," put up in sealed packages with full directions for home use. Red lips, pink cheeks, and 10 to 26 pounds increase in weight are not uncommon results from several months' usage. Ask your physician or a well-stocked druggist for them.

Therefore, when over ten thousand recommend Vinol, the cod liver and iron tonic, without oil, over their own signatures as the greatest tonic recon structor and strength creator—and offer to return the purchase money in every case where it falls to give satisfaction, it must indicate that Vinol is a pretty reliable medicine.

We could publish columns of such testimony as the following:

C. A. Potterfield, the leading drug-gist of Charleston, W. Va., says he used Vinol for every member of his family and has never been disappointed with the results. Mr. J. F. Bradicy, druggist, of New
