### MORAN THINKS WOLGAST UP AGAINST IT

Grand Canyon, Ariz., May 26 .- Owen Moran, who will meet the winner of the Wolgast-Burns fight in the lightweight championship battle in San Francisco July 4, is not as confident of Wolgast's ability to put it over Burns as a number of the other men in the lightweight class. Owen said here today that Wolgast will have to go some if he expects to penetrate Burns smothering style of defense, and that the bout probably will go a long way before Wolgast is able to get in any damaging punches. He says he cannot see why Wolgast has been made a 10 to 4 favorite in the betting, as Burns has the better of it in weight and reach.
