HENDERSON COATS SEALS WITH WASH WICKS TAKE LAST GAME OF SERIES

Ryan's Perfect Hitting Feature of Final Victory of Portland Champs.

Householder Picks Fight With Little Eddie Mensor and Is Ejected.

Benny Henderson's great pitching and the heavy cannoning of the Beavers, including the marvelous batting of Buddy Ryan, who got a clean hit in every one of his five trips to the plate, gave the champions yesterday's game before 400 people, a 0 to 0 Portland batt Miller out of the box in the fifth inning and Pete Browning, his relief, fared no better, being touched up for four bunched bingles and allowing three runs.

Until the seventh inning but three men in frame faced Henderson, so excellently was he going. From the second to the seventh, not a Seal waddled to first base. Benny eased up a little from the seventh on and was found for four hits, but none of them could be converted into runs. Henderson won both of Portland's games out of the series of five.

Closes With Double. Ryan's batting was distinctly the feature, even overshadowing Henderson's pitching. It will be one of the incidents in the recapitulation of the records for the year in the Spalding and Beach guides. Ryan started in the first inning and in every frame that he faced Miller and Browning he rapped out safe hits, closing with a two bagger to center in the ninth. His stick average for the week was brought up to .460.

When Miller walked Krueger in the fourth inning yesterday he started his own defeat for "Romeo" raced around to third on Sheehan's single to center and scored when Mohler footed Murray's grounder. Portland might have put over another run but not Weaver threw out of his hands. Sheehan hit one to Mohler, who headed Krueger at the plate and Peck closed the inning, Vitt to Tennant.

Portland repeated on the scoring thing in the sixth inning. Murray started off with free transportation to first. Henderson's pitcher put him on second and he took third on Chadbourne's hit to center. Chad getting to second when the ball was returned to the plate to head Murray, who was wise and stuck around the last angle. Murray scored on Chadbourne's grounder to McMurdo, which that worthy hurled to the plate, the ball again worming its way out of Berry's feeders. Chadbourne, who had gone to third, registered on Ryan's drive to right. Krueger's ground ball that hit Umpire Finney filled the bases and Henderson was able to score the catch of Rapp's fly by Melchor. Ryan and Krueger pulled off a double steal but Sheehan's foul to Vitt closed the inning and, incidentally, the scoring.

It looked for a few moments in the ninth as if the Mollies would crush into Henderson's whitewash, plans. Shaw started with a single to left but McMurdo and Weaver filed, respectively, to Chadbourne and Krueger. Then Tennant singled to center, putting Shaw on third, but Krueger raced over and lassoed Melchor's fly and the game was over.

Oaks This Week. The Seals left last night for the south to be succeeded Tuesday by the Oakland club, which comes for the first time this season. Oakland opens up Tuesday morning at 10:30 o'clock for the first game of the pair to be played Memorial day, the other starting at 2:30 o'clock.

Amateur Baseball From Here and There

The Wells-Fargo team defeated the American Express company's team Sunday in a nip and tuck game by the score of 11 to 10. The winning run was scored by McCartney. The pitching of Jassman was a feature. Good judgment displayed by Manager Sussman saved the game for the Fargoans.

The Hudson Arms team of Lents won a well played game in 11 innings from the Vims of Portland by the score of 5 to 4. A four base swat by J. Dixon, the second man up in the final inning, won the game. The score: R. H. E. Lents.....5 11 4 Vims.....4 6 1

The Shaver club desires games with 15-year old teams. For games, call Merritt, Woodlawn 720, between 3:30 and 4 p. m.

The Linton team defeated the Ford Auto nine by the score of 7 to 2. Thompson held the automen to two hits until the ninth and the final score the home plate until that inning, when they scored two runs.

Archer & Wiggins defeated the Carlton team by the score of 9 to 6 yesterday. The batteries were: Archer & Wiggins, Webb and Emrick; Carlton, Mills and Sandy.

Hillsboro, Or., May 29.—Because of the death of L. F. Carstens of Banks, who was a director in the league, all games of the Washington County league were canceled Sunday. The schedule called for Hillsboro and Banks on the Hillsboro grounds, and Forest Grove and Cornelius at Cornelius.

Mollala, Or., May 29.—Before a record breaking crowd of 1000 people the home team held the hard hitting Portland (colored) Glits to 4 to 3 score in the game here yesterday. "Pug" Hart pitched well for the white lads, but his backers could secure only three hits off the offerings of Henry. The score: R. H. E. Portland Glits.....3 10 2 Mollala.....4 7 2

Portland Glants.....3 10 2 Batteries—Glants, Henry, Hankins, Couver and C. Edwards; Mollala, Hart and James.

The Eatons defeated the Tribunes again yesterday at Peninsula Park by a score of 14 to 5. Morris of the Eatons pitched against Tucker. Morris is suffering from a badly bruised chin while making a quick slide to first. C. Von B. Redman umpired.

Kalama, Wash., May 29.—Umpire Wood yesterday, in a game between Kalama and St. Helens, gave the game to Kalama on a forfeit, because the St. Helens boys refused to go on the field on a decision. One of the coaches on the St. Helens team ran in from third to home in place of the regular runner and the umpire contended the base runner was out. The score stood 7 to 5 in favor of Kalama when the discussion started. This is the second game Kalama has taken from St. Helens this season. The first game, St. Helens claimed, was won by having Tonnason and Berger Portland. Today Kalama had all home talent.

Hood River, May 29.—In the form of an important part in yesterday's game so far as the Seals were concerned.

Two games tomorrow and the first one starts at 10:30. The game in the afternoon takes place at 2:30. Get out early and avoid the rush.

Diagnosis of that sixth inning revealed that there was something but hits, errors, stolen bases and last but not least, runs. Funny isn't it?

Until the seventh inning no more than three Seals faced Henderson in any one inning. Some pitching that.

With Melchor at bat Henderson started to wind up and the ball slipped out of his hands. It was called a "ball" by the ump. He had too much goo-goo on the ball and it wouldn't behave itself.

Buddy Ryan was the real thing. He hit, ran bases and fielded his position like a big leaguer. He is the candy kid and every fan in Portland is strong for him.

Base stealing yesterday was almost an impossibility. Nobody cared to take any chances on the bags the way the arms were working in that warm weather.

When Miller came to bat in the third inning he leaned against a ball that went into the bleachers in right field and nearly decapitated a few dozen fans. A few straw Kellys came near being put out of commission.

WALSH MAKES ONE FLIGHT FOR CROWD

Cylinder Head Blows Out and Exhibition Comes to Untimely End.

Before a crowd of fully 13,000 people who were scattered both inside and outside of the Country club grounds yesterday, Aviator Walsh, who has made several successful flights in the last few days, got up in the air and bucking a strong wind, flew eastward and westward several miles, making about a seven mile trip.

Just as Walsh was landing a cylinder head blew out, according to the announcement to the crowd. It was also announced that it would be repaired in 15 minutes but the period gradually grew into two hours, when it was found that the accident could not be repaired and the flight was called off.

The several passengers who had expected a trip were disappointed, but as there was no help for it, they left the mechanics to pack up their apparatus. Several coast cities will entertain the aviation people, before they are again in Portland, among them being Victoria, B. C., Wenatchee and Seattle, Wash.

While the mechanics were working on the aeroplane, some interesting races were being pulled off on the race track. A. J. Edwards in his little Ford racer and H. Kidlow on a Harley Davidson motorcycle, raced for five miles around the course. No decision was made for it looked as if neither had the better of the race.

TURN VEREIN SMOKER HELD TOMORROW NIGHT

The proceeds of this meet will go toward sending a team to Los Angeles, where the National Turnfest will soon take place.

In Australia even the bushmen and other men who do odd jobs have a surplus of money, and own an evening newspaper of their own.
