Resolution for Lorimer Investigation Is Supported by Chamberlain, Gore and Other Influential Members.

(Washington Bureau of the Journal.) Washington, D. C., May 30.—Senators Chamberlain, Gore, Owen, Lea, Martin (New Jersey), and probably O'Gorman, Hitchcock and other Democratic senators, will support the La Follette resolution for naming a committee of new members to reinvestigate the election of Senator Lorimer.

Senator Chamberlain, the minority leader, sought a new plan by which he would have brought all Democrats together and would have left the La Follette resolution high and dry without Democratic support.

Newspaper correspondents generally believe that Martin is playing a game set up by Bailey to enable the senators who "got in wrong" last session to "get out of the hole" and find some excuse for their unfortunate action in voting for Lorimer in the face of the convincing evidence.

(United Press Leased Wire.) Victoria, B. C., May 30.—The gasoline fishing schooner Edrie of Seattle was condemned and confiscated to his majesty the king as a prize by Chief Justice Hunter today for fishing within the three mile limit off Lanz island at the mouth of Vancouver island, where she was seized in February by the Canadian cruiser Rainbow, which fired a blank shot, causing the Edrie to heave to, and sent an armed party on board, who took the vessel in tow to Vancouver, where the evidence was held.

Warning to Railroad Men.

E. S. Bacon, 11 East street, Bath, Me., sends out this warning to railroad men: "A conductor on the railroad, my work caused a chronic inflammation of the kidneys, and I was miserable and all played out. A friend advised me to take Foley's Kidney Pills, and from the day I commenced taking them I began to regain my strength. The inflammation cleared and I am far better than I have been for 20 years. The weakness and dizzy spells are a thing of the past and I highly recommend Foley's Kidney Pills." The work will begin at the end of Fifth street, at the city limits and proceed westerly. The Asset company and the Oregon Electric company have a joint franchise on Fifth street. Some sort of public ceremony celebrating the beginning of the work will be arranged by the company.

Young Jasper, Or., Man Drowns.

(Special Dispatch to the Journal.) Eugene, Or., May 30.—George Prigmore, aged 21 years, residing at Jasper, on the Middle fork of the Willamette above Eugene, was drowned in that stream Saturday night, but no one witnessed the drowning and it will never be known how it happened. He was not missed till Sunday morning when he was called for breakfast. Receiving no answer his mother went to his bed and found that it had not been occupied. Later his body was found in the river. He had been pulling logs out of the river and it is presumed that it was while he was thus engaged that he was drowned. The young man had resided at Jasper only two months, coming to this country from the east with his parents.

ROSE FESTIVAL OFF; NO ROSES.

(Special Dispatch to the Journal.) Eugene, Or., May 30.—The annual rose festival, conducted in Eugene by the Ladies' Auxiliary of the Commercial club, and which was to have been this week, has been postponed until some other date. The reason is that the roses are not enough roses in bloom to make a good showing.

BOARD WILL LOOK OVER P. I. C. PAISLEY PROJECT

(Special Dispatch to the Journal.) Lakeview, Or., May 30.—Governor Oswald West and the members of the state land board are expected to visit Lake county early in June, and will probably investigate the Portland Irrigation company's project in the Chewaucan valley, totalling something over 12,000 acres of the finest land in the county. The people of the Chewaucan country have petitioned the state land board a couple of times in the past to force the irrigation company to comply with the terms of the act under which the lands were segregated, or to allow them to settle on the fertile area, but so far without any avail. Now that Governor West is head of the board and is thoroughly conversant with land matters in the state, it is hoped he will take up the matter.

The project originally was intended to take in a larger area and to obtain water from the Chewaucan river above Paisley, where a large storage reservoir

BOOKLET IS ISSUED BY BISHOP SCADDING

"Three Bishops and a Boat" is the euphonious title of a beautifully printed booklet, reprinted from the "Churchman" and penned by Bishop Scadding, bishop of Oregon. It tells of a cruise by the bishop of Oregon, the bishop of Spokane and the bishop of Olympia, in the yacht "Foam," in Puget Sound waters. Besides the exceedingly interesting and half humorous reading matter, it is filled with beautiful photographs taken on the tour.

(United Press Leased Wire.) Detroit, Mich., May 30.—After two weeks of search, \$50,000 worth of jewelry in a matchbox finally turned up through the honesty of Anthony A. Selowsky, a bicycle dealer. The jewels were lost in moving by Waldo A. Avery, one of the leading business men of the city. Selowsky found the valuable bag, and upon reading the advertisement in the papers offering \$1000 reward for their return, immediately took them to the nearest police station and turned them in.
