

HARMONY AND HELP PORTLAND SLOGAN AT BIG CONFERENCE

Commercial Club Sends a Strong Delegation to Meeting of Southwestern Washington Development Ass'n.

A strong delegation will leave Portland tomorrow morning for Chehalis to represent the Commercial club and business interests at the Southwestern Washington Development association, which meets for a three days' conference.

The delegation will consist of C. C. Chapman, President Carl Gray of the North Bank railroad, William McMurray of the Harriman line, A. D. Charlton of the Northern Pacific, John A. Keating, John Gill, G. F. Johnson of the promotion committee of the Commercial club, and about 20 business men who have agreed to make the journey to the Washington city.

Tomorrow's session will be given to a discussion of trade relations as affecting Seattle, Tacoma and Portland. Portland's part in the deliberations will be along the lines of help and harmony, the effort being to ascertain the lines along which the most effective work can be done to aid in the development of the rich district tributary to Portland on the north. John Gill of the J. K. Gill & Co., will be spokesman for Portland in the trade discussions, and fortunately the city has been assigned the closing address.

"Portland has been anxious to aid southwestern Washington," said C. C. Chapman of the Commercial club, "and we are going to the meeting with the purpose of learning in what way we can help more effectively. We should know conditions as they are, and the delegation will make an honest effort to get at the facts as they may affect northwestern cities. Then it will be easier to map out a plan of cooperation which cannot fail of the desired result—a greater and richer country on the north side of the Columbia river."

"sprung" on the public was one purporting to have been witnessed by John Moore, now United States district attorney at Portland, and W. A. Larkin. This will give small sums to all relatives and the residue to her. The alleged witnesses disclaimed knowledge of the document, and it was never probated. The decision of Judge Moore says it is generally conceded to have been a forgery.

Mrs. Warner Not Convicted.
Later a second will was received mysteriously through the mail by Mrs. Warner's attorney, similar to the first, with the exception that the sum of \$10,000 flat was left to Mrs. Warner. Mrs. Warner was arrested and tried for forgery in this connection, but was not convicted. She then started suit in equity to obtain possession of the estate, but was defeated.

vated to the senate, where he remained for eight years. He was elected president of senate in 1887, and he was instrumental in securing many needed laws which are on the statutes today. It was through his efforts that the new penitentiary was erected at Salem, as well as the state insane asylum. He did much good in the name of charity, and was a member of various organizations, among which were the F. & A. M., Portland Chapter R. A. M., and the Scottish Rites bodies.

Daughter Brilliant Educator.
Mr. Carson was born in Cedar county, Pa., February 20, 1825, being past 86 years of age. He descended from Revolutionary stock. He was married in 1844 to Miss Elizabeth Talbot, who died in 1860. To them was born Miss Lulu Clay Carson, who has passed through various stages of educating first as a public school teacher, then as instructor in the Pacific University at Forest Grove, later assuming the professorship of English and the dean of women in the Oregon State University. In 1909 she resigned this position to become president of Mills college in California, a position which she now holds.

So far the Democrats have had a monopoly on the speaking, George H. Thomas, the Democratic nominee, making talks each night. Eight meetings are on the program for this evening, five in the Mount Scott district at Tremont, Nashville, Kern Park, Arleta and Stewart streets, one at East Thirty-fourth and Belmont streets in Sunnyside, one at East Seventeenth and Alameda in the Vernon district, and one

on a downtown corner. Mr. Thomas, Tom M. Word and E. S. J. McAllister will speak in Mount Scott, the speakers for the other meetings being Bert E. Haney, Q. L. Matthews, Walter Campbell and I. N. Muncy, the latter of Curry county.

The only hall meeting thus far arranged by the Democrats is to be held in Sellwood Thursday night when Mr. Thomas, John Manning, Tom Word and B. E. Haney will speak. H. B. Van Duser, chairman of the Democratic county and city central committee, is considering the advisability of holding a mass meeting, probably at the armory, next Saturday night.

**UNABLE TO GET WORK,
TWO LIVE FOR MONTH
ON REFUSE OF CITY**

(United Press Leased Wire.)
San Bernardino, Cal., May 31.—Two brothers, G. J. and J. C. Gibson, are in the county hospital here today so weak from lack of food that neither can walk. For two days they lay within a stone's throw of Redlands without a morsel to eat. For more than a month they had subsisted on refuse thrown upon the city dump. They came here from Cedar Rapids, Iowa, neither being able to get work. It is believed both will die.

Mrs. W. H. B. Deardorff Buried.
(Special Dispatch to The Journal.)
Oakland, Or., May 31.—Mrs. W. H. B. Deardorff, a Douglas county pioneer, who died at Portland on May 29, was buried at Fair Oaks cemetery, near Oakland, Or., this morning at 11 o'clock. Mrs. Deardorff was born in Muskingum county, Ohio, January 27, 1837, and in 1853, the year in which she was married, made the journey across the

I can truthfully say that Dr. Kilmer's Swamp-Root is a very good medicine, not alone for kidney trouble, but also for weak and sore back, as well as for rheumatism.

About a year ago I became ill and unable to work, my trouble being a lame back. I read of your Swamp-Root in the newspaper and in an Almanac. Believing it would do me good, I went to my druggist, Mr. Skinner, and purchased a bottle. Finding relief in one fifty-cent bottle, I purchased several more and in a short time was able to continue with my work and am today feeling well and strong. I always recommend Dr. Kilmer's Swamp-Root to my friends as I believe it is as good a medicine as can be found.

Minneapolis, L. I., May 31.—An aeroplane bus is the latest development in aviation. Commencing early in June, experiments will be made at the motordroms here by Aviator Charles F. Willard, to determine, if possible, just how many passengers a biplane can carry. A type of biplane called an "aeroplane bus"—a regular family car—is being built for the passenger carrying work.
