The automobile floral parade will be the chief event tomorrow. Five hundred automobiles filled with handsome young women, decorated gorgeously with roses, will constitute a parade more than a mile in length, which will start at 2 o'clock.

Entries for the parade have closed. All but the final touches of decoration has been arranged. The committee consisting of O. K. Jeffery, W. J. Clemens, T. Irving Potter and Frank C. Riggs announced this morning that the judges, Mr. English, Prof. Robert Krohn and Mrs. Jay Smith, would be given the greatest difficulty in determining which among the splendid assemblage were most beautiful and hence most worthy of prizes.

Four Bands.
 The parade will form at Thirteenth and Stark. Four bands of ten pieces each will furnish the music. The formation will be:
 Police—Band, Mayor, President of Auto club.

Presbyterians of Canada.
 (Special Dispatch to The Journal.)
 Ottawa, Ont., June 6.—The thirty-seventh general assembly of the Presbyterian Church in Canada will meet in Knox church in this city tomorrow, with the retiring moderator, the Rev. Dr. John Forrest in the chair. The most of the ministerial commissioners are here, and the arrivals tomorrow are expected to make up the complement.

Outward and visible signs are abundant and the present general assembly is likely to be one of the most important of recent years. There are many big questions for the commissioners to consider and act upon. Church union is one of the foremost of these, and it is predicted that it will be a keen discussion. The proposition that the Presbyterians should unite in an organic way with the Methodist and Congregational churches in Canada was first brought up in the assembly at St. John seven years ago. During the past year the question has been voted on by the 68 presbyteries of the Presbyterian church, from the Atlantic to the Pacific, and the result shows a decided sympathy on the part of the ministers and the presiding elders in favor of the movement for union.

The position of Queen's University and its future relation to the church, a question that has been a bone of contention for almost a decade, will come up again and with a fair prospect of final settlement. Principal Grant, during the latter years of his life, urged that the university should be nationalized, and Principal Gordon, now in charge, has taken the same stand. A small coterie of Presbyterians, however, has strongly resisted the idea of separation and has sought to have the present relationship continued.

The election of a moderator this year is creating little interest, from the fact that the choice of the Rev. Dr. R. P. Mackay of Toronto, well known as the secretary of the foreign mission committee of the church, is generally regarded as a foregone conclusion.

Meeting of Eagles.

Mann of Kansas City, grand worthy secretary of the order, is scheduled to deliver an address at the banquet tomorrow evening. The

SIMON HUMILIATED; RUSHLIGHT SAYS NO APPOINTMENTS WERE PROMISED

By A. G. Rushlight.
 "I want to assure my friends, the people who elected me, that I am deeply grateful for the honor they have accorded me, and I will do all in my power to merit the confidence they have shown in me. My every effort will be to be mayor of the whole people, regardless of politics, creed or social condition."

"I have no announcements to make at this time as to what officials I will appoint. I only wish to reiterate what I have time and again asserted, that I have promised no positions to any one. I am free to carry out the wishes of the people in every respect. I will do all that can be done to achieve a commission form of government for this city as soon as it is possible to do so."

city is decorated in honor of the convention and ample entertainment has been provided for the visitors.

Foresters in Session.
 (Special Dispatch to The Journal.)
 Fort Huron, Mich., June 6.—Practically every court in the state is represented by delegates at the annual state convention of the Foresters of America, which opened its four day session here today. Many of the delegates are accompanied by their wives, and a highly successful gathering is expected. At this convention delegates to the biennial supreme court meeting of the order, to be held at Detroit in August, will be elected.

Southern Golf Tourney.
 (Special Dispatch to The Journal.)
 Nashville, Tenn., June 6.—Golf enthusiasts from all parts of the south are in attendance at the Nashville Golf and Country club, where the annual meeting of the Southern Golf association and the tenth annual tournament of the organization opened today under the most auspicious conditions. The meeting will continue through the week and the finals will be played on Saturday. The qualifying rounds were begun today, and will be continued tomorrow.

By Joseph Simon.
 I have nothing to say. I think I had better keep quiet, but outside of feeling a certain tinge of humiliation at my defeat I am not sorry that I was not returned to the mayoralty chair. I would not have continued in office longer than the first of the year, if I had been elected, as I would have given my strongest efforts to achieve the adoption of a commission form of government as soon as possible.

By George H. Thomas.
 To my personal and party friends, I wish to express my sincere gratitude for their support, and to Mr. Rushlight and those distinguished ones who elected him, I extend heartfelt congratulations.
