Rapps and Krueger Give Portland Shortest Game Played Here in Years.

Two beautitful bunts by Bill Rapps and Artie Krueger in the ninth inning of the shortest game in Portland since 901, an hour and eight minutes, gave Portland a 1 to 6 victory over Los Angeles yesterday before a big festival rough. The game was faultlessly played and the pitchers worked grandly until Thorsen grew a trifle woozy in the work displayed by the Beavers on their home lot this year and it came in the nick o' time. Inning after inning was receied off with clocklike regularity. reeled off with clocklike regularity. It was generally the first ball that was ot more than five balls were delivered to the batsmen before they all went out. Three of the five hits made off Thoren were scratches, the only immaculate bingles being the brace of two baggers by Rapps and Sheehan, neither of which figured to make a run. Dil lon's terrific clout for two bases into left center field in the sixth frame, as the first man up, was the only clean hit registered by the visitors. Howard beat out one that took a bad hop in front of Rodgers.

Chad Gets Three Hits. Chadbourne led the swatters with

three hits in four times up. Until the ninth inning such perfect pitching was displayed that neither team had a chance to win. Bernard was the only Angel to reach third base, a grounder to Rapps.

in the second inning by virtue of a walk, a stolen base and another walk, and in the sixth Chadbourne reached second on his double and took third or Rodgers' out.

But here is how the scoring was done. Redgers beat out a scratch hit across second. Then Ryan stopped a pitched ball with his vertabrae. on and Artie Krueger fussed around the eager eyes, and Rodgers and Ryan moved up a peg.

At this juncture Rapps came to bat the "squeeze" sign to Rodgers it worked quired and the duo sent to Chicago.

In many respects it was the greatest game on the field this year for it pitted pitching skill, fielding perfection and brains on one side against she same playing qualification on the other. It all depended on where the lines all depended on where the luck would fall and Dame Fortune favored the Beavers.
