

AT ORPHEUM THIS WEEK

"Study in Brown."

The "Study in Brown" is appearing this week at the Orpheum as one of the team of Lydell and Butterworth, but which one of them is who is the mystery that has followed these clever blackface entertainers throughout their career as laugh vendors. Even the stage manager of the theatre does not know whether to call her by one or the other. She prefers to be studied as a combination of color, and to answer to either name when she is addressed. In speaking to each other the performers use either male or feminine names as they prefer. First it is "Bill" and "Jim," and then they switch to "Molly" and "Polly."

MITCHELL, FUGITIVE, DIES IN HONDURAS

(United Press Special Wire.) San Francisco, June 12.—Friends learned today of the death Sunday in Honduras of R. Brent Mitchell, 60, former prosperous lawyer and broker of San Francisco. Since his flight the day before Christmas, 1905, leaving liabilities aggregating \$200,000, Mitchell made several unsuccessful attempts to retrieve his fortunes with the hope of returning to San Francisco. He worked indefatigably for five years in Central America, promoting the development of railroads, mines and coffee and rubber plantations. The deaths of his wife and daughter are believed to have hastened his end.

POOLROOM MEASURE PUT IN COLD STORAGE

Parisian Sage Drove It All Away in Two Weeks.

If people who have dandruff only know that it is caused by germs and that these germs are slowly but surely sapping the hair root of its very life they would hasten to destroy the germs and remove every trace of dandruff as soon as possible. Parisian Sage (now sold all over America) is a highly guaranteed hair dressing, stop falling hair and itching scalp in two weeks, or money back. It is a delightful hair dressing that prevents baldness, puts life and luster into any person's hair. Large bottle 50 cents at Woodard, Clarke & Co., and druggists everywhere. After using Parisian Sage a short time it stopped the hair from falling, and also removed the dandruff, and stopped the itching, and now there is new hair growing which is about one inch long.
