The Doctor's Answers On **Health and Beauty Questions** By DR. LIWIS BAKER.

The questions answered below are general in character; the symptoms or diseases are given and the answers will apply to any case of similar nature.

Those wishing further advice, free, may address Dr. Lewis Baker, College Bid's, College - Ellwood Sts., Dayton, Ohio, enclosing self-addressed, stamped envelope for reply. Full name and address must be given but to Ohio, enclosing self-addressed, stamped envelope for re-ply. Full name and address must be given, but only in-tials or fictitious name will be used in my answers. The prescriptions can be filled at any well-stock drug store. Any druggist can order of wholesaler.

the following only as a relief measure, but I have had many reports from patients who seem to have obtained permanent cures. It is well worth trying and should be used two to six mouths: Oil eucalyptus I dram, terebene I dram, essence mentho-laxene 2½ ozs., glycerine (pure) 6 ozs. Mix, shake well and take a teaspoonful every hour or two during attacks, and 6 doses daily at other times. For quick relief, put a teaspoonful of pure essence mentholaxene into a pint of bolling water and inhale the fumes.

Distressed Anna: — The symptoms, bearing down pains, cramps, headache, fainting spells, weariness, all indicate that the delicate organs of your sex are not in normal healthy condition. Any woman who feels such symptoms should adopt a treatment designed to tone up the organs and restore their healthy functions. Have this prescription filled: Viburnum prunifolium I os., tincture cadomens comp. I oz., syrup hypophosphites 6 ozs. Mix and take a teaspoonful every 3 hours, following it with a glass of water. This makes a splendid tonic for nervous, "run-down" condition.

Footsore:—Being on your feet so many hours each day is responsible for the suffering which you endure. The best relief and cure for tired, aching, swollen and sore feet, accompanied by burning or perspiring, is as follows: To a gallon of hot water add a teaspoonful of antiseptic vilane powder and a teaspoonful of salt. Immerse the feet each night for 15 to 20 minutes and soon you will be free from suffering the agonies of tender feet.

Rheumatic M.—In the treatment of rheumatism you should first regulate the diet. Discontinue coffee and tea. Omit almost entirely all meat diet; also starches, such as fresh bread, pastry, puddings and potatoes, except baked. Always eat less than the appetite craves. Restore good digestion by taking tablets triopeptine—pink after breakfast, white after dinner, and blue after supper. Have the following preserriction properly filled: Iodide of possible of the properties of the distribution of the properties.

Hopspune.

Bad Cold:—A cold seldom yields readily to quinhue and acctanilide preparations, but nevertheless do not neglect a cold. At the very first symptoms such as sneesing, tickling of palate or fever-ishness go to a well stocked drug store and begin taking one third teams the properties. This is the only preparation I know of which checks or absorbs a cold quickly and surely. craves. Restore good digestion by taking one and begin taking one ing tablets triopeptine — pink after breakfast, white after dinner, and blue after supper. Have the following prescription properly filled: Iodide of position I know of which check a cold quickly and surely.

Asthma Victim:

The disease of asthma is probably one of the most difficult to cure, and I offer the following only as the following only one at bedtime. Drink much pure wa-

Miss Too Thin:--You can and should weigh more, by at least 15 or 20 pounds. The most reliable flesh promoting med-icine that I can recommend is 3 grain hypo-nuclane tablets, obtainable from any well stock pharmacy, in sealed packages, with full directions for taking. People who have tried everything in vain have met with great success when using this little tablet.

Scalp-Hair:—The hair and scalp frequently suffer from microbes, causing itching, dandruff and hair falling. The only real successful scalp and hair preparation that I have learned absolutely to be successful is, plain yellow minyol, packed in 4 oz. jars, ready for use, with full directions. A few applications restores healthy conditions, removes and cures dandruff, itching and falling hair, while it beautifies the hair, giving luster, wave and gloss. giving luster, wave and gloss.

Costive:—Yes, I can recommend cas-caroyal-pills for chronic constipation as the formula is printed on circular in each package and such ingredients as castor oil, cascara, wild lemon, etc., are very effective and pleasant in action. Continued usage often results in estab-lishing natural action of bowels.

Head Ake:—If you are a frequent suf-ferer from headache, try using pain-away-pills, which contain celery, cam-pher, acetphenetidin, etc., and these in-gredients do not affect the heart like acetanilid does in many cases. If you have indigestion which may cause your suffering, I advise the use of tablets tropeptine.
