Extracts of Letters from Leading Bankers and Business Men

Ladd & Tilton Bank: "A device as perfect and practicable as yours has long been desired by banks."
 Seattle National Bank: "Nothing to equal your machine as a mechanical cashier."

G. W. Hazard, Los Angeles, Mgr. Burroughs Adding Mach. Co.: "It will meet with a ready sale, and think it should stand up mechanically for many years, which means accuracy and durability to the user."

Portland Chamber of Commerce: "The trustees were convinced of its excellence and consider it perfect in every way."

First National Bank, San Francisco: "The machine is an excellent one, by far the best of its kind that we have ever seen."

Traders National Bank, Spokane, Wash.: "It will revolutionize the paying teller's cage."
