The Beavers went down to defeat yes terday before the benders of big Ables, Oakland's southpaw. Anytime that a good lefthander works against Me-Credle's bunch he has a good chance to slip them a beating.

Garibaldi, who worked in the Portland northwest outfield during the year 1909, was out with the Nicks yesterday for a little warmup. Garry is now a cashier with the Southern Pacific at San Francisco and is on his annual vacation. On Sundays Garry plays the outfield for the Newman team which is a fast aggre gation in California.

"Red" Winterbotham, with his big strike out record, sat on the Nicks' beach yesterday and it is rumored that Williams intends giving the auburned haired chap a trial. His record of 24 strikeouts against Kelso has given him a bit of a reputation.

The first inning was anything but tasteful to the local fans for a few moments. Lamline filled the bases up one down and then, with a man on third base, Abbott flied to Stovall, who heaved the ball beautifully to the plate ut it took a high bound as it neared Harris and a runner scored from third Lacky there were not a few more tallies

In the first inning Lamline tilted Mike Lynch on the elbow with the ball and Mike let out a yelp that almost stopped the clock on the union depot. Jakey let him have his base. That was about the only way Mike could get by.

when Tacoma was all to the good with runs, Mike Lynch would not stand for anybody but himself being on the coach ing line at first base, but after Portland tied it up and forged ahead Mike was nowhere to be seen.

The star catch of the day and almost for the season was made when Eddle Mensor in centerfield went after Fisher's line drive that seemed destined for three bases. Eddle made a wonderful spurt and just nabbed it in time.
