HOLM GIVES TWO OLD TIME FIGHTER CLOUTS TO NICKS BOOSTS WOLGAST

Lefty Tonneson Pounded at Will by Spokane's Slugging Swatsmen. Jack Choynski Recalls One Fight of Mysterious Billy Smith.

Spokane, Wash., July 11.—Portland went down to defeat yesterday, 6 to 3, because the brand of pitching served out to them by Holm was unbeatable. Holm allowed but two hits.

Portland's two safe hits came in the fourth when Mundorff beat out a bunt and Stovall lined out a fast one. The solitary run made by Portland was chalked up in the sixth inning when Stovall scored on Spiesman's throw to Cartwright. Spokane scored two runs when the sun spoiled Stovall's catch of a fly. Holm was wild at times but luckily for Spokane these times came when they couldn't do much harm.

O'CONNELL PICKS UP COIN ENROUTE

Big Grapplers Getting Ready for Match Here on August 8.

When Eddie O'Connell, wrestling instructor at the Multnomah club, went east last week on his summer vacation, he dropped off at Haines, Or., through invitation of the business men of Haines, and indulged in a little wrestling exhibition with Jack Reynolds, welterweight champion of Iowa, who has been spending a few months in Haines. O'Connell picked up quite a few simoleons in the eastern Oregon town, which will help pay expenses at Atlantic City, where he intends spending the next three months.

While in Haines, O'Connell flashed a roll of bills containing \$1,000, and said he would wrestle any man in eastern Oregon under 160 pounds for the wad, naming particularly Joe Heinrich, wrestling instructor at the Baker City Athletic club. None of Joe's friends was around with the wherewithal, so Eddie continued on his way eastward. He is still suffering a bit from the bad knee that he first wrenched in North Carolina, and hurt again playing handball in Portland, but intends to put strength into it by swimming continually in the salt water of the Atlantic ocean.

Eddie will return in September, according to his present plans. Considerable interest has been aroused locally in the Demetral-Berk wrestling match which is scheduled to come off August 8. Berg has already started training, intending to be in the best possible condition when he meets the direct light heavyweight champion, Demetral. He will do most of his training on the road, where he is wrestling exhibition matches in the rural communities with Berg. If Smith is willing it is very likely that the match will be announced as a second main event on the Demetral-Berg program.

Joe Heinrich is a letter received this morning from Baker City, complains that O'Connell is sidestepping him. Joe says the Baker City sports have \$1000 ready to put up as a sidebet any time that O'Connell wants to put up his Joe also encloses the following newspaper clipping:

"Eddie O'Connell is sidestepping a match with Joe Heinrich, at least that is the way it looks to me," said Henry Allen of the Pastime today. "We have \$1000 to put up that Heinrich can down him three times within an hour. The money is ready. O'Connell agreed to come here to fight Haines, but we have been able to get no trace of him."

TENNIS PLAYERS COME TOMORROW

Irvington Courts Will Present Gay Scene During International Tourney.

Everything that in any way can help to make the tournament this week of the Pacific International Lawn Tennis association a success is being done by the committee in charge of the preparations. The courts and grounds of the Irvington club will not only be in perfect condition and be decorated with the flags of many nations in honor of the visitors but the officials have arranged also considerable entertainment with which to while away the time not spent on the playing courts.

Thursday night the entertainment will consist of a smoker to be held at the Commercial club for the men. On Friday night a dance will be held at the club house of the Irvington club. On account of the heavy expense involved a moonlight excursion up the river will be substituted for the railroad trip to Gearhart park which was planned for Saturday night.

It is expected that the players will begin dropping in by Wednesday evening in great numbers and be decorated with the flags of many nations in honor of the visitors but the officials have arranged also considerable entertainment with which to while away the time not spent on the playing courts.

Walter Erickson, who will come down from Everett with Percy Gardner, is one of the team that challenged for the Starr-Reynolds-Starr cup last fall.

The courts are reported to be in the best condition that they ever have been and they will be looked after carefully up to the tournament. They will be closed all day Wednesday in order to put the finishing touches on. They will be decorated for the occasion with ship flags.

Thursday morning at 10 o'clock all the names will be in and the drawings will be made. Then from the results of this diagram of the play will be made out and the players will go on the courts immediately.

On the first day the preliminary rounds of the singles and doubles will be played off. It is expected that about 12 matches a day will be the order of play as there are about 25 altogether. The sets for the first day are scheduled to commence at 10, 2:30 and 4:30 o'clock.

The season tickets for the entire tournament will be \$1 each, while the morning single admission will be 25 cents and the afternoon single admission 50 cents.

Hogan, who was loaned to Spokane by the Tiger leader, and who was recalled, arrived here this morning, and will get in the game as soon as possible. Brown, Hogan's mainstay behind the bat, was injured, and this was what made Happy recall Hasty.

Jimmy Byrnes, who caught for the locals some seasons ago, is among Hogan's men. Jimmy was married last week in the Bay City, and brought his bride, who is a Washington girl, with him.

Al Carson, former Portland twirler, was left at home on account of sickness. McDonnell is playing right field in place of slugger Stinson, and Franz Hosp is playing short field regularly.

Hogan and his men were all dolled out in new striped suits. Hogan gives credit for his victories over the Seals to the new convict flannels.
