

# SCIO'S RACE CARD LOOKS PROMISING

## Speed Events Will Attract Fast Steppers From All Over State.

Scio, Or., July 21.—The board of directors of the Linn County Fair association held a meeting here last night to make arrangements for the county fair to be held August 29, 30, 31 and September 1. It is announced that cash premiums to the amount of \$2500 will be offered and that the race program money will amount to \$1500. The officials are very much pleased with the outlook for the fair this year, which from all indications will be the largest and best yet held. Already many inquiries from this and adjoining states have been received.

Several improvements have been ordered made, among which will be a new grandstand around the race track and the erection of a new poultry building. The grounds are now supplied with running water from the Scio public water system and well lighted at night by electric lights. Good music will be provided and already a number of good shows have reserved the needed ground space. A number of free attractions will be provided.

The first day of the fair will be Orange day and a program of special interest to farmers will be arranged. There will also be a baby show and various athletic sports on the opening day.

## TURNHILL WINS IN POTLATCH GOLF GAME

(United Press Leased Wire.)  
Seattle, Wash., July 21.—Turnbull of Portland won the open championship in the finals of the Potlatch golf tourney given by the Seattle Golf club, negotiating the 72 hole course in 295. Barnes of Tacoma was second with 297, Johnson of Seattle, third, 305, and Hibbard of Everett fourth with 313.

T. S. Lippy of Seattle won the Potlatch championship defeating C. K. McGill of Seattle 63 to 61 over the 18 hole course.

## JOHNNY EVERS GOES TO HILLS FOR HEALTH

(United Press Leased Wire.)  
Boston, July 21.—His health broken and with the grave fears on the part of his friends that his brain may give way, Johnny Evers, star second baseman of the Chicago Cubs, has gone to the Adirondacks to make one more try for vigor.

Evers, much against his will, was forced to quit the Cubs here when they left for Philadelphia. He has agreed to stay in the mountains for at least five weeks and, if his health is then better, will try to get back in the game. There is grave doubt, however, that the great player will ever straddle a sack again.

## M'FARLAND MATCHED TO FIGHT AD WOLGAST

Chicago, July 21.—Following a series of fruitless negotiations, Pucky McFarland is matched today to meet Ad Wolgast in a 10 round go at Milwaukee September 18. McFarland's manager posted \$1000 for weight and appearance. The articles call for 133 pounds at 3 o'clock. It is that McFarland agrees to meet Wolgast subsequent to the Milwaukee fight on the Pacific coast for a 20 round mill.

## Gunboat Beats Rushing.

Stockton, Cal., July 21.—After a fierce bombardment of two rounds, Gunboat Smith forced Lou Rushing of San Francisco to run up the white flag here last night in their 10 round scheduled bout. The best bout of the evening was a six round draw between Ado Zott of Stockton and Eddie McLaughlin of San Francisco.

## Strang's Body Shipped Home.

Blue River, Wis., July 21.—The body of Louis Strang, the noted automobile race driver who was killed here when his car overturned while going only four miles an hour, was shipped today to the home of his sister at Amsterdam, N. Y. It will be buried there.

## World Auto Classic Sunday.

Paris, July 21.—The French grand prix, the world's automobile classic, takes place Sunday over the 53 kilometer Sarthe circuit. The race, the winner of which will receive the Grand Prix de Paris cup, is for 372 miles.

## Bill Lange in Seattle.

Seattle, July 21.—Bill Lange, former baseball star, and representing Garry Herrman on the Pacific coast, is in Seattle today looking over the Northwest league players for the Cincinnati Reds.

## Death of E. S. Capps.

E. S. Capps, 77 years of age, died at the St. Vincent's hospital yesterday. The remains will be shipped by E. E. Erickson to Tacoma for burial. Mr. Capps came west from his home in Omaha, Neb., to visit with a son at Marshfield and another in Tacoma. He had been ill for some time and thought the western climate would benefit his health.

## Mississippi's Primary.

The primary election in Mississippi is but a few weeks distant. Interest centers almost wholly in the senatorial fight between United States Senator Leroy Percy and Governor J. E. Vandam and C. H. Alexander.

### Chimmie's Column

The Seals don't know where they're going, but they're on their way.

When Danny Long received the news of the third straight defeat for his champs, he hit the end of his tongue off. Long is a police court reporter at San Francisco and the chances are that the Seals manager is making quite a few mistakes in the testimony being offered the court each day.

Until the fourth inning, it looked as though the game might go over the nine inning limit but the Beavers walked. Don Moskman all over the lot and sashed in with six tallies. Wasn't it awful, Marie?

Brownie Browning relieved Don Moskman and did fairly well. Brownie went in without warming up and Tommy Sheehan picked one to the fence for three bases.

Tom O'Donnell, a member of the Basils' Stars bowling team of Seattle is a visitor in the city. A few weeks ago, O'Donnell broke the world's record by knocking over 287 pins in the singles competition at the fifth annual tournament held in Vancouver, B. C. His total for three games was 870. The best previous mark had been 778 made by H. Muggley of St. Louis, who will most likely make Portland his residence.

Gus Fisher who is Cleveland's mainstay behind the bat, caught five men trying to piffar second base in a game at Cleveland the other day. The Beavers have surprised his many friends who thought he would fall in the big show as a receiver. His work to date has been faultless.

Maxmeyer is the butt of many jokes played on him by the members of the Beavers. Each day the boys either hide his lunch, shoes or uniform and it takes Max fully one hour to locate his belongings. Yesterday they hid his shoes, which resemble a small sized boot factory, in one of the suit cases and Max was hotfooting it all over the grounds looking for his transportation.

It seems strange that such a popular ball player as Buddy Ryan should have to parade on the local diamond with his baseball trousers ripped for fully four inches. Buddy has the right side of his bloomers pinned up like a bargain counter display and it wouldn't be at all surprising to hear of a mad rush among the fair sex this afternoon with offers of needles and thread assistance to our popular outfielder.

Kid Mohler was the candy kid with the sticky hands yesterday. He speared ice drives and grounders with one hand and the fans applauded his efforts on many occasions.

Artl Krueger was a bear yesterday both in the outfield and at the bat. The "flying Dutchman" had seven put-outs and three hits out of four trips to the plate. You can't keep him down.

In the sixth inning of yesterday's game, Henkle showed how to get out of a tight pinch by fanning Powell with the bases full and two out. The fans were blue in the face for fear of something awful happening.

McCredie was telling a good joke on himself yesterday. It was back in 1906 when Walter was playing a game in Fresno. Mike Fisher had an Indian pitcher that he thought could trim the best team living. Walter was somewhat of a twirler himself. Mike slipped a few confidential words into the redskin's ear and then proceeded to ask McCredie to pitch for the opposing team. "Sure," said Walter, "I'll beat any man you have." When they paraded the redskin on the diamond, McCredie was scared to death and wanted to retire. After the first three men on Walter's team had secured home runs off the Indian, McCredie pulled himself together and went in and pitched and beat Mike Fisher's team, 11 to 2.

Bill Steen will work for the Beavers today and Spec Harkness tomorrow. Benny Henderson will do the heaving Sunday and then the boys go south for two weeks. They travel to Los Angeles where they open against the Angels.

## GAVE HUSBAND SIX CHANCES; HE FAILED

After giving her husband six chances to be good, Dora Githens refused to allow him any further time to reform and this morning secured a divorce from him in the circuit court. They were married in 1908 at Eugene. She said he became angry and left her a few months after the marriage, and remained away three months. He then begged to be given another chance, and she took him back. Five other times he became angry and went away, and came back as many times. She charged him with excessive drinking.

Mamie L. Handley secured a divorce from Walter W. Handley on the ground of cruelty. They were married in February, 1910 at Salt Lake. The cruelty alleged consisted of his accusations against her. Handley is now in Salt Lake.

Lula P. Skaggs was allowed a decree from W. T. Skaggs on the ground of cruelty. They were married in 1903 at Cleveland, Okla., and she charged the cruelty began soon after the wedding. It was alleged he slept with a revolver under his pillow, and frequently threatened to take her life.

Desertion was the charge Sidney Thirkell made against Anna L. Thirkell. They were married in 1890 at Hillsboro, and lived together happily until 1909. One evening, Thirkell testified, his wife announced she was going to leave him and went away. She offered no excuse, but later told friends she was tired of married life. Mrs. Thirkell is a professional nurse. Divorces were also granted to Fannie Johnson from Bill Johnson, and Kate Stamp from Hiram Stamp.

Bill Rogers was out swimming last evening and his ankle is getting stronger all the time. Bill takes to swimming like a duck down to water and the other boys had a hard job keeping him from overdoing himself. This is the only kind of exercise Rogers can take until his foot is stronger.

Tonight at San Francisco, "Mysterious Billy" Smith will take a flyer at the four round game when he battles with Rufus Williams. Portland fans will await the outcome of the battle with interest.

Some declared that the sewer pipe agents represented that the cost per lot would not exceed \$60. These representations were made at the time the rival cement and terra cotta interests were circulating petitions to have the council order the sewer system constructed.

The assessment ordinance now before the sewer committee calls for an expenditure of \$104 a lot.

Still others of the property owners are willing to pay their assessments. Among these is the Rev. George C. Carl, who owns a half block of the property affected and has been assessed \$416.15. He told the committee that he thought the contractor should be paid and that the sewer system should be put in use.

# RIVERSIDE FOLK VOICE PROTEST

## Say Cost of Sewer Too Much Per Lot—Want District Extended.

One of the largest delegations that ever appeared before a council committee to file a personal remonstrance filled the city council chambers this morning to protest against the proposed ordinance assessing the cost of the Riverside district sewer. The council sewer committee heard the protest and referred it to the city engineer and the city auditor with instructions to make a report in one month.

The chief objection raised by the property owners is that the assessment district was not made large enough. They declared that the Madonna, Brainerd and other tracts should have been included, claiming that if this had been done the individual assessments would have been much lower.

The Riverside district was ordered improved with cement sewer pipe last year by the city council. Former Councilman Ellis making a strong fight at that time to have cement pipe laid instead of terra cotta. When the district first came up for consideration it was proposed to lay terra cotta pipe and the estimated cost of this was \$159,000. Cement pipe was adopted after it had

been shown that this kind of sewer tubing could be laid at much less cost to property owners. The contract for the Riverside sewer system was finally let for \$11,900, the contract being awarded to William Lind.

The contractor laid the pipe and now wants his money.

Some of the remonstrators contend that the pipe installed is faulty, but these are in the minority. Most of the people affected agree that the sewer tubing was laid according to specifications, but that they say the cost per lot is excessive.

Thirty or forty men and women were given a hearing by the committee this morning.
