This is in accordance with the recent ruling of the supreme court, in which the court held that Webb had failed to file his case in time in the higher court, and had lost a right of appeal. The mandate from the supreme court reached the circuit court this morning, and Deputy District Attorney Page asked Judge Morrow to set the date for determining the sentence. Attorneys Fouts and McCue, representing Webb, were notified of the ruling of the lower court and also affirmed in the ruling of the supreme court. Webb was convicted of killing W. A. **Dr. Murphy Sentenced.**—Dr. J. T. Murphy, who for more than four months has escaped punishment after having been convicted of selling cocaine from his offices in the Dekum building, was meted out tardy justice yesterday afternoon by Judge Taswell, when the court, after having had the matter under advisement, imposed a fine of \$200 and sentenced him to six days in the jail. Murphy gave notice of appeal. Murphy was captured through a clever ruse worked by Patrolman Nelson. His chest was crushed and he was otherwise badly mangled. He leaves a wife and two children, residing at 47 North Ninth street. **Man's Body Recovered.**—John Macor, aged 45 years, believed to be a member of the local Italian colony, while rowing in a skiff on the Willamette river last evening, was thrown into the river when the boat capsized, and he lost his life. City Grappler Brady recovered the body this morning shortly after 9 o'clock, after several hours' search. Nothing is known of the man except that he is believed to have a brother living in the city, who has not yet been found by the coroner. The remains are at Dunning & McEntee's parlors.

**Wood Block Paying.**—There will be a special meeting of the street committee of the city council this afternoon to consider the matter of wood block paving.
