"ARIZONA JOE" MAKES HIT AT THE PANTAGES

With all the bigness of the west, "Arizona Joe," the spectacular production, is drawing packed houses at Pantages this week.

When seen here last season for the first time, "Arizona Joe" proved a strong attraction and its popularity does not seem to have diminished. Miss Adelle Von Ohl again entertains with her expert riding and the ways of the frontier are aptly depicted by a large and capable company.

Second place on the program may be awarded to either Stanley and Edwards in their "Visions in Marble" or to Miss Eleanor Otis and company in "De Vere of the Chorus," a playlet where the plot is based on the sacrifice of a chorus girl for the sake of a girl who is anxious to break into the calcium gleam. The sketch suffers considerably from a strained plot. Miss Otis, as the chorus girl who throws up her place in order that the juvenile might have an opportunity to satisfy her heart's ambition, is excellent. "Visions in Marble" are replicas of ancient statuary in which four people pose admirably.

Billy McDermott is a hobo comedian of some ability, keeping his audience in good humor, while the Albany Four consist of three vocal artists and a pianist of worth. The daylight animated events continue to be a drawing card.

Ye Oregon Grille Engagement extraordinary—Raymond, the celebrated tenor soloist and Nowaline, basso profundo, late of the original Hawaiian quartet, every night this week. These artists in connection with Hendler, the piano prodigy, and Signor Marino, violin virtuoso, make up an unparalleled program that you cannot afford to miss. "Ye Oregon Grille" service is without an equal in the city.

New Departure
The cost of interments have been greatly reduced by the Holman Undertaking company.
Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for embalming, hearse to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriages, thus effecting a saving of \$25 to \$75 on each funeral.
