

### FATHER HELD FOR CRIMINAL NEGLIGENCE

#### Dooley's Refusal to Call Doctor to Attend Dying Child, Taken to Court.

(Special to The Journal.)  
 Oakland, Cal., Aug. 24.—In order to permit him to attend the funeral of his four-year-old son, Theophilus, whose death is attributed to the father's refusal to call a physician, the arraignment of a Southern Pacific man, was postponed today by Judge Samuel Dooley. Dooley probably will appear in court late today and answer to the charge of having refused to call a doctor while the child lay writhing in agony as the result of fearful burns.

"The kid is all right," Dooley told the neighbors. "What do the Indians do when they get burned?"

The child died Tuesday morning and a coroner's inquest charged the father with criminal neglect. Dooley is on a felony charge for violating section 276 of the penal code and which provides that parents shall furnish food, shelter and medical attendance when necessary.

Dooley's wife, a haggard, frightened little woman, is one of the witnesses against her husband. She says he has been drunk for the last three weeks and has cruelly beaten her.

### NEW RIGHT-OF-WAY MEN MAKE COOS CURIOUS

(Special to The Journal.)  
 Marshfield, Or., Aug. 24.—Railroad speculation has been created by the fact that a party of local men is securing rights of way between Myrtle Point and Roseburg over about the same route as was surveyed by the Coos Bay and Oregon Central railroad, which was formerly known as the Coos Bay-Boise line and was promoted by Francis H. Clarke. While it is not known for whom the rights of way are being secured it is said that they are for the Coos Bay Eastern Electric railroad, for which Engineer Aston did some surveying work a few months ago. This same company recently filed 12 rights of way agreements on points along the same route of the Clarke road. It is stated that several local engineers have been engaged to go to work soon on engineering which is to be done on the line. It is not known just who is in the company further than that a party of California men who recently visited here are supposed to be interested.

**Bandon Naval Militia to Train.**  
 (Special to The Journal.)  
 Marshfield, Or., Aug. 24.—The members of the Bandon division of the Oregon naval militia have been ordered to Coos Bay for training on the cruiser Boston. They will be here for 10 days and will go through the regular training the same as if they were on a cruise. The Bandon division was only recently organized and this is about the first actual work they have had in the militia. Dr. Sorenson of Bandon is head of the division.

### "FRENCH SPECIALIST" SERVED WITH WARRANT

(Special to The Journal.)  
 Tillamook, Or., Aug. 24.—"Doctor" D. A. Sanburn, who claims to be a "French specialist" of 40 years experience, was arrested here for practicing medicine without a license. He came to this city about a month ago from Los Angeles and has advertised extensively. He asserts he practiced in Portland from 1901 to 1907 and that he has studied in Paris at some period since that time. The trial was set for next Monday.

**Butter Fat Prices 30-34.7.**  
 (Special to The Journal.)  
 Tillamook, Or., Aug. 24.—Tillamook county dairymen are again receiving high prices for their product. Following are the prices paid per pound for butter fat for the month of July: Tillamook creamery, 34.7 cents; Clover Leaf creamery, 34 cents; Maple Leaf association, 33.5 cents; Fairview Dairy association, 33.5 cents; South Prairie creamery, 33.5 cents; Cold Springs Cheese factory, 33.4 cents; East Beaver Cheese factory, 30 cents.

**Miners to Settle Dispute.**  
 (Special to The Journal.)  
 Pittsburg, Pa., Aug. 24.—The international executive board of the United Mine Workers met here today to settle the factional dispute over the control of district five, one of the largest and most important divisions of the miners' organization. The controversy, which has waged for months and has been marked by rioting, bloodshed and court litigation, grew out of the rivalry of two factions, one of which claimed to have elected Francis Feehan as president of the district organization, while the other declared Robert P. Gibbons to be the duly elected president.
