RAINS IN CASCADES

Albany, Or., Sept. 2 .- Copious rains fell in the foothills of the Cascades last night and this morning and have materially contributed toward quelling the raging forest fires in Linn county. This is particularly true as regards the Seven Mile mountains fire, reports of which indicate that it is well in hand and will be confined within the limits of the area now burning. The Elk Lake fire burned fiercely yesterday afternoon and the fire fighters were driven back

at several points. It is reported the (United Press Leased Wire.)
