Direct Legislation League Desires Adoption of Arizona Recall Plan in State.

(United Press Leased Wire.) Denver, Colo., Sept. 6.—Striking di-rectly at President Taft in his veto of the récall of judges in the Arizona constitution the Direct Legislation league of Colorado today is committed to the submission of a constitutional amendment providing that the Arizona plan shall be law in Colorado. The de-cision of the league was reached here last night at a stormy meeting, the vote ony. United States inspectors Edwards on the proposition, after acrimonious and Fuller started an inquiry into the debate, standing 31 to 21. The amendance of the accident at 1 o'clock this ment provides for the recall of any of-ficial, including judges, on petition of

25 per cent of the voters. Friends of President Taft league meeting fought hard to amend the plan so that the recall might be in-voked only in case of malfcasance in office or other high crimes and misdemeanors, for violation of ante-eleption pledges or for conduct unbecoming an officer of the law. The Southern Pacific company contends that since the government had and diamonds for taxation. accepted taxes on the land to the amount of \$1,827,234.10 besides \$145,-977.26 for surveying and patenting the lands, and since the government failed to protest for more than 40 years against the sale of the lands in larger quantities than 160 acres, and also since the government has used the railroad with frequency for the transportation of troops and munitions of war, the govern-

ment is not entitled to the land.

The government holds that the railroad company has violated the law un der which the land was granted, and the litigation has been in progress for several years. The railroad's answer consists of a book of 19 pages.

The land involved is valued at be

tween \$60,000,000 and \$70,000,000, and the railroad company denies that the government is sincere in its beliefs that it is entitled to recover these lands. It holds that Judge Wolverton had no jurisdiction to hear or decide the case so far as it is a suit to enforce forfeiture.

The government claims that the rail land because the railroad sold land in large quantities to speculators in violation of the terms of the grant by which it came into possession of the
