Marvelous as it may seem, Rexall '93" Hair Tonic has grown hair on heads that were once bald. Of course it is understood that in none of these cases were the hair roots dead nor had the scalp taken on a glazed, shiny appearance.

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that

we have such great faith in it and that we claim it will prevent baldness when used in time. It acts scientifically, destroying the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and nourishing them. It is a me pleasant the hair.
