BEAVERS WIN SECOND GAME IN TENTH INNING WHEN PECK SINGLES IN PINCH

Portland and Oakland continued their terrific struggle yesterday afternoon, with the champions on the long end of a 3 to 2, 10 inning score.

Both clubs used a brace of pitchers. Until the eighth inning Harkness had not allowed a hit, and would have gotten away with a shutout game had Lindsay played Zacher's ball differently in the ninth.

Unable to hit it out in the early innings on Ables, the Beavers mixed their style of play and began bunting on the Oakland giant.

Peck was eminently equal to the occasion, and his blazing single across second brought Rapps galloping in with the winning run.

"SQUEEZE" PLAYS HELP NICKS WIN

Come From Behind in Eighth and Pass Tiger Tossers in City of Destiny.

Tacoma, Wash., Sept. 21.—The Nicks came from behind in the eighth inning of yesterday's fray with the locals and on two hits, an error and a couple of squeeze plays scored three runs giving them the game by the score of 4 to 2.

Portland opened the run column in the fourth inning. Speas singled and Stovall and Williams blocked pitched balls and this loaded the bases.

The locals passed into the lead in the seventh inning. Harris, who replaced Williams at first, dropped the ball and Fisher was safe.

Peck's hitting was the feature yesterday. He took a new position at bat and simply murdered the curve balls Ables fed him.

Bill Rodgers' batting average slumped a bit when he went in to pinch hit in the eighth.

The Oakland bunch is some noisy on the coaching line. In the ninth inning when they tied up the score Harry Wolverton had the air resembling the flight of the 17-year locusts with the flying bats.

Umpire Finney ran across an old friend yesterday, Tobe Huffman, who used to be the star backstop of the Texas league in 1898.

Returns With Championship. Jake De Roster will return to America with the world's professional motorcycle track championship as a result of his victory at Brooklands, England, over C. R. Collier, the English champion.

Baseball Gossip

Peck really stretched his hit into a three bagger by some good base running in the fifth, for he sighted the ball going from first to second and never stopped at the keystone sack.

Cutshaw is nursing a tender ear, where Kuhn slapped the ball on him as he attempted to steal home in the fifth. Cutty was inclined to get sore, but Walter explained that it was an accident and that he was trying to get away from the Oaklander's spikes when he slammed him on the auditory member.

Harkness was going great guns and the first hit was made by Wares, in the eighth inning, a clean single. Hoffman got a single in the ninth and the fluke hit by Zacher brought the total up to three off the speckled beauty.

Bill Rapps is playing great ball and it is strange that some big league club didn't try to buy him. But then Bill may get a chance to go to St. Louis if Kuhn's draft by Cleveland is thrown out by the national commission.

Just a little incident to show that the Beavers are playing for the club and paying no attention to their own batting averages.

Big Ables is a great kiddier and the fans here like him for his good nature as his well known pitching proclivities.

MATT WELLS WINS FROM ABIE ATTELL

English Lightweight Is Too Heavy and Clever for American Feather.

New York, Sept. 21.—Matt Wells, the English lightweight champion, is today wearing another feather in his cap, having cleverly taken the best of his 10 round contest with Abe Attell, the world's featherweight champion at Madison Square Garden.

The fight was fast, clean and clever, and lacked all the body features of the Flynn-Morris battle last week.

The fight was a handicap match, and Attell is given credit for the game stand he made against his heavier opponent.
