PERSONAL 22

Portland, Or., Sept. 19, 1911.
H. W. Lang & Son,
Third Floor Goodnough Bldg., City.
Gentlemen—I consider that I owe to you, and to those who are afflicted as I have ben afflicted, a statement of my case.
I had had that dreaded disease, tuberculosis of the lungs, for many years, and during the past five years have spent all my earnings, my money and property, seeking relief but without success. I had been obliged to give up all work and the disease had reached that stage where eminent physicians informed me that my stay on this earth was very short. I was wasted away to a skeleton, my cough was very severe, and I raised a great deal of blood, and had given up all hopes.
About March 1, 1911, my attention was called to your remedy and I purchased a bottle of same but without hopes of relief. The second night after I began using "Lang's Wonder," I slept soundly eight hours. My first night's sleep for weeks. My cough soon stopped, the pain in my chest disappeared and in less than one month I resumed my work and have worked continuously since, and today I am a perfectly healthy, strong man. This is what seven $1 bottles of "Lang's Mineral Wonder" has done for me. How can I help but praise it.
Several acquaintances are using your "Wonder" by my recommendation, and it is doing the work in each and every case. Refer any one you wish to me.
Respectfully yours,
(Signed) M. A. JENKINS,
1072 Water St., Portland, Or.
