Chinese Gamblers Caught.—"Hoy mon," breathed Patrolman Burke in a low voice at a door of a Chinese establishment at 92 1/2 Second street, last evening. The door opened to admit the supposed Chinaman who had given the password, but when it was seen that an officer was at the door, there was a quick scuffle and an attempt made to lock out Burke and Patrolman Stewart who was with him. The attempt was unsuccessful, however. The patrolmen succeeded in invading a gambling room, after breaking down a big door, just in time to see Ah Wing throwing fan fan beans down a chute in the wall. These beans and \$4.50 was secured as evidence and three Chinamen taken to headquarters.

Junk Man Accused.—E. Furukawa, a Japanese junk man, was arrested at 130 North Eleventh street yesterday afternoon by Patrolman Hennnessy on complaint of J. M. Barde & Sons, who claim that the man has been carrying on a systematic practice of stealing small pieces of junk from their establishment for some time. The accused declares, however, that the junk in question belongs to him, and that the reason for the arrest is that when he offered for sale to Barde, but was not satisfied with the amount offered, Barde threatened to have him arrested. Bonds were fixed at \$500.

Arrested for Larceny.—After a chase of several blocks which led through vacant buildings in basements and garrets, Patrolman Foster last night arrested George Howard on a larceny charge and only succeeded in making the capture after drawing his revolver and threatening the man with a bullet if he resisted. Shortly before the chase started Howard walked into a hardware store owned by H. Benjamin at 89 North Third street, and asked to see a revolver. Two guns were placed before the counter and these Howard grabbed, shoved into his pockets and ran. Foster was advised of the robbery and gave chase, finally arresting the suspect in a saloon at Fourth and Couch streets.

John McCallum Missing.—Friends of John McCallum of 1423 Olm street have become much alarmed by reason of the failure of the man to appear at his home. On September 21 he left his home, saying he was going to St. Johns to look for work and since that time he has not been seen, and now it is feared that he may have become despondent and jumped into the river. The police have been furnished his description and a photograph and have been asked to make a search for him.
