JIMMY CARROLL TO BOX IN EAST AGAIN

Danny O'Brien Says Popular Little Friscoan Has Developed Wonderfully.

Jimmy Carroll, the crack San Francisco bantam who is extremely popular in Portland, has left the Bay City again and is on his way to New York, where he will take another whirl at the 15 round game.

That he is even cleverer than when he was here two seasons ago and he was regarded as finished then, is the report brought from San Francisco by Danny O'Brien, the fast Portland lightweight, who is home after a jaunt into the main-event Arcadia.

"You ought to see Jimmy Carroll," is the way Danny puts it. "You wouldn't know him. He is bigger and stronger than he was when he was here and is almost a featherweight. And hit, say, he can wallop like a water-weight. Those slender little arms of his have developed wonderfully and they look like the wings of a man 20 pounds heavier than he is. He can get under 120 pounds and be strong any more, and remember, he used to make 115 easily.

"Jimmy was so all fired classy that none of the boys of his weight around San Francisco dared to tackle him. The only fellow who could possibly give him a battle is Jimmy Fox, who boxes almost exactly like Carroll, but Fox weighs within the bantam limit and wouldn't let Carroll into his training camp and the fun of it. Can you beat that? Nobody would take him up on it, though.

"I look for Carroll to experience the same difficulty when he gets back to New York again. He is a boy who takes good care of himself and is always in condition to box. I think he'll scare out the easterners, just as he did the westerners."

DALLAS HUNTER FINED FOR SHOOTING QUAIL

Dallas, Or., Oct. 2.—Walter Hensel, a farmer living near Bethel, was arrested and fined for breaking the game laws of the state Monday. While out hunting Sunday afternoon with Elmer Briggs of Dallas, Hensel killed one small quail on his father's farm near Bethel. He had just secured his game when the state deputy game warden appeared and caught him with the quail. He was brought to Dallas, Monday, and fined \$25 and costs. As it was his first offense he was let off with the minimum fine and instructions to keep within bounds of the law on further occasions.

VANCOUVER WILL HAVE HALF-MILE RACE TRACK

Vancouver, Wash., Oct. 2.—A race track, one half mile in length, standard for the Clark county fair grounds for next year's fair. This has been definitely decided by the officers of the association.

It seems probable that the county commissioners will levy a one-half mill tax on the county, the funds so accruing to be given to the fair association for improvement purposes. The appropriation from the county this year was \$2000, but no more could be given at that time.

More than \$6000 in improvements have already been made at the grounds, and this will be increased to at least \$15,000 next year. The Clark county fair promises to be the greatest of all annual events in southwestern Washington, and with the race track assured, everything will be easy sailing.

JEFFRIES BOYS GRIEVE AT MOTHER'S BIER

(United Press Leased Wire.) Los Angeles, Oct. 2.—James J. Jeffries, former heavyweight champion of the world, and his brother, John, today are kneeling at their mother's bier. The two men have just returned home after a three months' hunting trip in Alaska. Jim and John sat up with their father until an early hour today listening to their father tell of the last illness of their mother, Mrs. Rebecca Jeffries. The home coming of the Jeffries boys was a sad one. The news of their mother's death was broken to them in Seattle. The funeral services will be held tomorrow afternoon.

Hahn to Fight in Frisco. Seattle, Oct. 2.—Louis Hahn, who fought Abe Attel to a draw in North Yakima, Wash., some time ago, has decided to try his hand on the four round game in San Francisco. Hahn should be able to get a match as soon as he lands in the Bay City because of his recent good showing against Attel.

Rain Checks Innovation. (Special to The Journal.) San Francisco, Oct. 2.—Rain checks issued to the fans at the ball game here Sunday were an innovation. Some fans kept them for souvenirs; others used them for "money back" demands. Trouble was finally averted by the call "play ball."

Well, This is Baffling. (United Press Leased Wire.) San Francisco, Oct. 2.—Outfielder Chick Hartley of the Albany State league team is in a quandary. He has been drafted by the Coast league. Shall he give up his job as a Philadelphia policeman or shall he give up baseball?

The Manchester to Blackpool road walk of about 50 miles was won by T. Payne of Morpeth in 9 hours, 5 minutes and 55 seconds.

PECK MAY REMAIN WITH CHAMPIONS

Popular Portland Shortstop Given His Choice Between Naps and Beavers.

Will Roger Peckinpah be a member of the Beavers again next season? It all remains with that sprightly young person who is exceedingly well liked in the shortfield position for the Portland Coast league club.

Cleveland recalled Peckinpah from Portland under an optional agreement before the drafting season began in September. Portland made preparation to fill the void between second and third by pulling Bobby Coltrin over from the Northwestern league and drafting Bancroft from Superior, Wis., and Infielder Kibbie from Helena.

Now comes Charlie Summers, the good-natured Cleveland magrate, and tells us that we can have Peck back again next season provided Peck wants to come. Charlie says it is all up to Peck.

Peck likes the Pacific slope and figuring that he is not yet 21 years of age, he may stick with us. In fact, he has intimated as much. If he does the shortfield is again practically invulnerable.

Mike Lynch Disappointed.

"There is no real hope of disappointment in the outcome of the Northwest league this season," says Mike Lynch in the Tacoma Ledger. In speaking of the showing of the Tigers, Lynch asserts he believes one of the causes which caused the Tigers to go down hill was the announcement that a number had been sold to the major leagues.

"They became too cheery," says the Tiger leader, "and therefore did not do their best. They thought that their next season's contract was not dependent upon their playing this year. As a result, they played individual ball, a feature which is most destructive to team work."

Lynch expects to go on a scouting trip in the near future, and sign up some material for next season.

It Was a Funny Series.

That was indeed a funny series between Los Angeles and Vernon, but from the newspaper accounts of the battles Los Angeles was fighting it out to the last ditch and this ought to allay the talk that the Seraphs were lagging down to the Holligans. Assembled, the week's runs, hits and errors read thusly:

Table with columns: Team, R, H, E, L, O, S, A, N, G, E, L, E, S, V, E, R, N, O, N. Vernon: 10 11 1 4 10 5 2. Los Angeles: 8 4 4 1 6 3 3.

Seattle Gets Men in Draft.

Seattle, Oct. 2.—The Seattle Giants put in drafts for five players and all were allowed, according to word received by President Dugdale from J. H. Farrell, secretary of the National association.

The five players drafted by the Seattle club are: Pitchers—Smith, Fremont, Neb., Hamilton, Petersburg, Va., Camp, South Atlantic league. Catcher Wally Seward, Neb.; Outfielder Mann, Nebraska City.

The Seward club tried to sell Catcher Wally to the Sioux City club after the draft had been filed and Secretary Farrell after investigating the case disallowed the sale of the player and awarded him to the Seattle club.

Fullerton to Railroad.

Pitcher Charley Fullerton, formerly of the Portland Beavers, has started for his home in Pittsburg and will immediately start his winter's job on a railroad. Fullerton is one of many of Pittsburg's baseball colony.

POST SEASON SERIES NOT ENTIRELY FIXED

(United Press Leased Wire.) San Francisco, Oct. 2.—A post season series between Oakland and Portland will be played, if negotiations between Tyler Christian of Oakland and Tommy Sheehan of the Beavers succeed. The series will be unofficial—that is, will not be under Pacific Coast league auspices, but promises to be exciting enough for all that. It will probably be played partly in Oakland and partly in Portland. Definite announcement is expected in a day or so.

MRS. ROOSEVELT FALLS WHEN HORSE STUMBLES

Oyster Bay, N. Y., Oct. 2.—Information that Mrs. Theodore Roosevelt suffered a severe fall here on Saturday became public today. It is not thought the results will be serious. While Mrs. Roosevelt was riding with Colonel Roosevelt and their son Archie, her horse stumbled, causing her to fall to the pavement. Stunned by the shock it was not until after being taken home that her consciousness was restored. A passing delivery automobile was extemporized for ambulance use.

INITIAL RIFT IN FOOTBALL GAMES

Jefferson and Hill Game Off—Prepare for Meeting of Old Rivals.

The game scheduled between the Jefferson and the Hill football teams this afternoon has been cancelled. Professor Jenkins of the Jefferson school stated that to play two games with the Hill team as demanded by the latter would make the Jefferson schedule too heavy. Hill, it is said, refused to play today unless Jefferson consented to a game later in the season.

The Jefferson team will play its first game Saturday afternoon with either the Salem or the Eugene high school. It is most likely that the Salem high school will make the trip.

The Jefferson team has a good outfit this season and will win the championship of the inter-school circles, their supporters think. Coach Smith has been working the boys out and has them in good shape for so early in the season. They are faster than the team last year.

When the season first opened it looked as if the Jefferson team would not be a contender in the football race, but Cole Campion, J. Day and O. Day brightened things up at the school and a fighting team will perform for the school this season.

Vesper's playing at end in practice games is highly satisfactory. Jefferson's line is complete with the possible exception of center. Ashworth, a new player, is showing up fine, but has only been out a week. Despite this fact he may land the position over Johnson, who played a part of last season on the team.

Washington is getting down to signal practice ready for the Pacific university team next Saturday. Coach Earl is confident that his squad will take down the colors of the university.

Officials for Friday afternoon. At a meeting held at the Multnomah club yesterday afternoon, the managers of the football teams selected the officials who will have charge of the Lincoln - Portland Academy game on Friday afternoon.

Hugh Boyd, principal of the Albina Homestead school, will referee the game, and Paul Lynch, who coached the Lincoln high school team last season, was chosen as umpire. Mr. Dake of the Jefferson school will be head linesman. The game will start at 8:30 o'clock and a large crowd of football enthusiasts is expected to witness it, as both schools are old time rivals.

Manager Patterson of the Lincoln high school team states that his team is sure to win. Informal races, fancy diving and swimming stunts are held at every meeting. Plenty of room is available for spectators.

Swimming Club Meets Friday. The swimming club of the Y. M. C. A. wishes to announce that it meets every Friday night at 8 o'clock in the large association building. Informal races, fancy diving and swimming stunts are held at every meeting. Plenty of room is available for spectators.

Jim Flynn will draw the color line and may meet Al Kaufman in a return bout in New York in the near future. He knocked out Kaufman in 10 rounds at Kansas City a few months ago.
