### DETECTIVES SEEK MISSING MONEY

Experts to Determine Cause of Death of Charles Molius Many Theories.

Until the chemical analysis of the stomach and brains of Charles Molies, who was found dead Saturday night in his home at 151 North Sixteenth street, shoot themselves through the head the state railroad commission, and when that under peculiar circumstances, is completed by experts at Corvallia, Or., the local police detectives will not know whether the death of the man was due to natural causes or to poisoning.

In the meantime, the detectives assigned to the case will run down every possible clue to the whereabouts of \$600 that is minning from the home, which had been concealed in a glass jar under get-rich-quick promoter of New Lork, the kitchen floor, and to which, if it is The affair has taken a peculiar turn,

for it is said that two men were seen at the house last Friday and that Molles has been drinking for some time. theory has been advanced that Molies noney in the jar, which belonged to his wife, to pay obligations.

Detectives Mallett and Maloney have been assigned to the case and pending the report of the chemists are attempting to locate the money. Another the-ory is that Molies' death was due to natural causes and that the money was stolen afterwards.

Detectives Mallett and Maloney scout the idea of murder or death from any but natural causes. They are working on the theory that the \$625 has been stolen by some casual visitor who came to the house and found Molles dead on the floor with the jar which contained the money under his arm. The suspect conseived the idea on the spur of the moment to take the money, it is sur-It is apparent that the United States mised. Up to 2 c'clock today no further Presiding Judge Getens of the circuit will not secure Dr. Lyman's removal to believed, was dug up for the purpose theories were advanced. The jar, it is of pusting \$25 more to the \$600 already meeting was something far beyond all there, and while Molies was working expectations, it is said.

## BADGES ISSUED

Wearers Will Be Exempt From Police Interference During Parade.

A badge bearing the picture of President Taft and a silk ribbon with the words, "Reception Taft," will save who have formal part in welcoming the president from the embarrass-ment of police interference. When the president was here before and when ex-President Roosaveit visited the city lack of badges caused police to check a number who had been asked to accompany the parades. It was especially difficult to obtain entrance through the "privileged way" at the Armory.

The committee on preparations for the president's coming have, in issuing the badges, asked Chief of Police Slover to instruct his men to pass without for positions of prominence in the naval question anyone wearing the badge, and ranks and do away with the time honhe has complied with the request. Care will be taken in giving out the badges, it is announced, in order that they may not fall into the wrong hands. The thousand and one details con-

nacted with President Taft's stay in Portland from 5 o'clock Wednesday ing me through a plate glass window. I Portland from 5 o'clock have no use for that kind of a man." evening until near the mi evening until near the midnight hour have all been arranged, it was an-nounced today. The regular soldlers from Vancouver barracks will be on hand promptly at the Union depot to constitute the president's bodyguard. Chief of Police Slover has been over the line of march as announced in The Journal yesterday to make sure that there will not be the slightest possibility of intereference or delay. The steward at the Commercial club says changed today.
