The New "Polo" Metal-Apl Street and Evening Coat in One

N INNOVATION in the favorite Polo Coats - and, of course, we're showing them here first. A Street and Evening Coat in one, for they're reversible-pre-eminent for

style and utility. When milady wears them during the day she has a practical, modish coat in black, blue or brown. For evening wear she has a charming, dressy wrap of white. Worn either side, they're a perfect garment. What could be more desirable—and they're so chic and clever!

Snug and warm in genuine "Twincote" cloth of thick, firm weaving, though light and soft as "kitten's ear." Note the graceful, curving lines of the coat as pictured here. Our price for \$40 these new Reversible Polos is..\$40
