CRUEL TEAMSTER GOES TO ROCKPILE, 40 DAYS

The extreme cruelty of E. A. Cook, a teamster for Giebisch & Joplin, grading contractors, won him the contempt of Judge Cohen in the municipal court yesterday morning when it was shown that he had beaten a mule so severely that the animal died. A sentence of 40 days on the Linnton rockpile was im-

posed on the man.

The brutal beating of the mule occurred at East Fortleth and Division streets, when a wagon which Cook was driving stuck in a mud hole so securely that the team could not pull it out. Cook is said to have jumped off his wagon and beat the animal with a piece of 2 by 4 scantling until it was hardly able to stand up. The following morning when the animal was being led from the barn it started to bleed from the outh and nose and shortly after fell to the ground and died.
