of Jefferson.

The two teams were about evenly matched and the game was full of fighting spirit, although the Celumbia looys did not make the fight they were manable of in the first half.

Verger, Cole and the Day brothers starved for the Jefferson squad, while Maalien, Fitzgerald, Heywood and Devers did fine work for the purple squad. In the second quarter Cole made an attempt at a field goal, but his kick was poor and the ball was recovered by Columbia on the 15 yard line. They tried line smanles twice, but were un-able to make yardage. With a punt formation littler tossed the ball over Fitzgereld's head and caused a defeat for his squad. Butler was taken out of . the game and Weber put in his place. Ball in Middle of Field.

The ball was put in play on the 25 yard line, and the balf was ended with the ball near the middle of the field. In the second half, with Eddie Mc-Allen, the former Jeffersonian, at quarter, the Columbia team was a different preposition from the one that played the first half. The Jefferson boys were momentarily rushed off their feet, the Columbia squad making yardage five successive times on tackle runs, line smashes and delayed end runs. Their spurt was stopped on the 22 yard line, and from that point Fitzgerald attempted a place kick, which was blocked and columbia's vision of a victory vanished.

Jefferson recovered the ball as it went out of bounds. In the third quarter play was very lively, and both teams were fighting for every inch of yardage with neither able to get any ad-

vantage. The Jefferson boys were penalfred a good deal for being offside, while the Columbia boys suffered penalty for be-bing offside but twice. Campion had the better of the punting with Fitzgerald, most of his kicks averaging 20 yards. Fitzgerald's averaged about 26. When you buy a Kenshaw hat, you

Wosper Is Star. Vosper was the bright star of the game. His work in tackling and carrying the ball was a feature. His all-around ability will likely win him a place on the all-star eleven. Fitzgerald the big Columbia back, broke through the Jefferson line several times. Ashworth broke the Columbias' line and blocked a couple of punts, and was

on top of a number of plays. Opinion was expressed during the oln and Jefferson squads.

The attendance at the game neared the 1500 mark, and the rooting of the Jefferson squad was a feature.

The scores Morning game: dividually, for baseball luck, team play, spirit and watchfulness to make the most of emergencies as they arise will play a big part. If there is any one department in which strength to an essential it is in the pitching department. Mathewson and Marquard are likely to do the bulk of the pitching for the New Yorks, with several good ones to fall back on, while Coombe and Hender are likely to be Mack's mainstays in the box.

Each team has a first class manager. McGraw and Mack are both able generals, and each can be depended upon to get the best work out of his men. But the issue will be decided mainly by the players themselves, for gerial ability is a less important item in a short series. The Glants have an off hand aggressive method of playing, while the Athletics are in the habit of working every man to the limit. Greatest Seties Tet.

Probably no series that has ever been played in baseball will attract the at-tention this one will, and undoubtedly no series, the weather being suitable, will equal it in attendance. Something like 200,000 people will probably pay from \$1 to \$5 each to see the series of games. No more striking evidence of the wonderful increase in the popularity
