

# WILLIE'S NEWFANGLED BED IS BOUND TO WAKE YOU UP, BUT—

DEAR TOMMY: When we don't have a girl, Papa misses his train about every other morning. I made a contrivance like this and showed him how to use it. But the alarm didn't wake him. Then I tried to stop it, and we both got a shaking up!  
Yours, etc., WILLIE.

# FOR HE'S A JOLLY GOOD FELLOW—UNTIL HE GETS HOME
