### This Prescription Knocks Rheumatism

The only logical treatment for rhea-mattem is through the blood. A pre-scription, which has recently proved wonderfully effective in hospital work is the following. Any druggist has the ingredients or will quickly get them for you. Any one can mix them: "One ounce compound syrup of Barsaparilia; one ounce Toris compound; half pint first class whiskey." These to be mixed and used in tablespoon doses before each meal and at bed time. This cured thousands here last winter. It relieves immediately.
