Quarantine Removed-Quarantine has been removed from the receiving home of the Boys' and Girls' Aid society of Oregon, East Twenty-ninth and Irving For three months the home was under quarantine because of several cases of scarlet fever among the children. There are 61 boys and girls in the home and the management is now anxious to find homes for many of them. Among this number are some little girls about 8 years old. The boys range in age from \$ to 15 years. Reside county two little colored children. a boy aged 4 and a girl aged 8, and they are very desirable children, announce the management. "Applications for any of these children will be thankfully received and acted upon by personal appileation at the receiving home," announce the management.

Work of Practical Joher- Bome one has tried to play a practical joke on me, for I have never been near the Walla Walla river," said Eugene Ladd, who is employed by the Gorham-Revere Rubber company, in this city, when he was shown a telegram telling of a note found in a bottle in the Walla Walla river, near Freewater, Or., describing how he was being held for ransom in the Blue mountains by three men, who said they expected to get the money from the boy's father. Young Ladd recently came from Stockton, Cal., where his folks are well known.

Parents' Meeting-The regular meet-ing of the Parents and Teachers' circle of the Highland school will be held Fri-day at 3 o'clock. In view of the Child Welfare exhibit, which will be held next month, the meeting is a very important one and every mother in the district is being urged to attend. Professor

Want You

To know that you can be fitted with glasses that are a permanent relief and a positive comfort. If you do not see just as well as you should, if you have headaches, if your eyes get tired, it is a sure sign something is wrong, and the wrong in this case can be righted.
