PORTLAND'S NEW **BUSINESS POLICY**

Fun and Goodfellowship Will Reign Supreme; Speakers to Dwell on Trade Trips Recently Undertaken.

Portland's new hustness and trade mercial glick at \$-29 elebrok this

for and good fellowskip of the second business excursions to Klamatt Falts, Grays Harbor and central Grayes will be retaind in somme and johns and humorous addresses. How the hours of the journey were cheesed by funny inci-tions will be tob! and then will come the more sertious recital of the enlarged where of Oregon's potential resources repaired by the business man who particle

pated in the excursion. Bins stereoption slides with sketches grawn under the direction of Fitti ft. will indicate just how some of the problems of the road were ever-

Appropries Work Planned. A purpose of the dinner is not only to set forth the business opportunities of Furtland's tributary territory, but to suppost the fact that Portland must and Oregon's development for the sake of Portland's greater permanent growth. A plan for more aggressive development activity is expected to be one of the

results of the dinner. The program, in the form of a newspaper, reprinting the songs, yells and pressions of the Journeys, also indieates, under the "windjamming" department, the names of eight speakers. Although the major part of the program is to be kept as much a surprise as the unusual scheme of decoration, this sig-nificant sentence is to precede the announcement of addresses.

"The radiance, cheese and water botties will be removed from the tables during the speaking. Any crockery thrown at the speakers will be charged for at double rates. Messra. D. O. Live by. A. C. Callan and C. D. Josiyn chose the speakers, and will act as surgeantsat-arms. The speakers will not hurt you, as they are limited to five (6)

FOREST FIRE FIGHTERS **GET GOOD RESULTS**

The annual fire report of the superdsor of Ochobo national forest in Crook, Wheeler and Grant countles shows the most successful year of fire prevention since the forest withdrawal.

The rains, falling in September, the correration of the public and the realization of the loss to industries through forest destruction are given credit for the unsual record.

The total area burned over was 355 acres. The largest fire occurred on the west side of Lookout mountain, with a the 10 fires reported were extinguished before they had covered an acre of

It was found that no two fires were alike and all had to be treated differently by the rangers and fire fighters ning. Money spent for permanent improvements greatly facilitated the work of handling the fires. But few fires were started by campers and in many instances stockmen went out of their office in the Wessing brothers' general way to report fires that if allowed to merchandise store at Nicolaus, securing more than \$400 in postage stamps and other loot amounting to \$600. spread would have caused serious dam-

IN THE BLACK HILLS

Edgemont, S. D., Oct. 21.—Beginning three day campaign in the insurgent district of South Dakota, President Taft today invaded the Black Hills district. He made a short stop here, addressing the citizens briefly from the station Deadwood, Lead, Sturgie and Rapid City, all of which points will be visited today.

Taft Will Support Trust Law.

(United Press Lessed Wire.) Newcastle, Wyo., Oct. 21.—Determination to enforce fairly the Sherman antitrust law irrespective of public clamor or endorsement was clearly expressed by President Taft in an address here last night. The president referred to the "knocking" going on in some quar-ters, and urged that when he swore to enforce the laws of the nation the oath included the Sherman law which had

been more or less dormant. Meeting of Library Association. A special meeting of the members of the Library association of Portland with the hald in the art room of the library, Seventh and Stark streets, Portland, r., on Wednesday, November I, 1911,

be haid in the art room of the library, at Seventh and Stark streets, Portland, Or., on Wednesday, November I, 1911, at 3 o'clock p. m.

The meeting has been duly called for the purpose of taking such action as may be proper upon the sale of lots one (1), two (2), seven (7), and eight (8), in block two hundred and fourteen (214) in the city of Portland, county of Multnomah, state of Oregon; the execution of a lease with the purchaser and owner of said premises; the purchase of block two hundred and fifty (250), in the said city of Portland, county of Multnomah, state of Oregon; the execution of a contract and lease with the county of Multnomah, state of Oregon; the conveyance to the county of Multnomah of said block two hundred and fifty (250) in said city of Portland; the amendment of the constitution and the articles of incorporation so as to change the number of directors of this corporation, the time of electing said directors and the terms of their office; and to provide for the election of the present county judge and county commissioners and their successors in office as ex-officio directors of said corporation.

W. B. AYER, President of the Directors of the Library association of Portland.

Dated October 20, 1911.
