It was plainly to be seen that accuracy was locking in this new departure and both field generals apparently decided about the same time that the logical plays were discarded in favor of end runs for the most part. Better at Bushing.

Washington state had a bit the better of the rushing game, keeping the ballin the visitors' territory for the greater part of the four sessions. The plays were always close and ground was hard to negotiate. Once the home guard had a chance to score, when the ball was carried by short bucks and end runs to Oregon's five yard line. Here Oregon braced and fought back like tigers, holding for downs.

Early in the game the Oregonians began their forward passing, but kept most of their plays under cover be-cause several of the University of Washington coaches and players were on the sidelines analyzing their style of

Few Penalties Imposed. The playing of both sides was clean and neither was penalized much. From an individual standpoint the work of "Sap" Latourette stood out above all the others. WILLAMETTE WALLOPS

Salem, Or., Oct. 28 .- Willamette university in an exciting football game here yesterday, defeated the First In-fantry team of Vancouver barracks by score of 11 to 6.

The game started with everything in favor of the varsity and the first half ended 11 to 0. During the last half all the luck was against the locals and McCrea, the big star fullback, was taken out of the game with a broken Wadley, left tackle, received a broken collar bone and Lowe and Bellinger were side lined with minor injuries. This broke up Willamette's team work, and substitutes had to be played. The last half was hotly contested and the score stood 11 to 6 in the varsity's favor when the game ended. Mills and Lewis played the star game for the soldiers, while Cummias, Francis and Bolt did stellar work for Willamette.

I am \$3 years old and have suf- Mrs. S. E.

S. E. Chan fered from weak. Chas ness and nervousness for three months, from a tumor on my face. I first went to some doctors, but they told me that it was impossible to cure, so upon the advice of my relatives who had been cured by these Chinese doctors. I went to them. After taking two weeks of their herbs and roots compounded and other medicines, the tumor was completely cured without the use of a knife. I feel so grateful toward them and recommend anybody who is till and wants to get well soon to go to see or write to them and secure some medicine, which I am sure will bring results. J. A.
