Life Insurance or Death Insurance-Which?

People willingly pay large sums for life insurance, which is really death in-surance; but real life insurance frequent-ly consists in taking Eckman's Altera-

ly consists in taking Eckman's Alterative.

Can any "lung sick" person afford not to take the Alterative?

It sharpens the appetite, makes life look different, brings better health with greater earning power. Often persons are so much improved that they can work even before they are finally cured. Threstigate it, if you are broad minded enough to believe that there can be a cure for consumption, which has not been sensationally exploited, or which is not based merely on climatic or diet restrictions.
