Questions and Answers

Dear Miss More-Will you please publish a racips for salt rising bread? The success of salt rising bread de pends largely on the sweetness of the vessels and flour used in the process, and such as well as on an even temperature all go on mithout making any preparaused that has held anything sour or a bills are being paid, we worry not. We have a full that and youthful bloom to their age bit of sour flour gets into your yeast, never dream that the same thing might marred or furrowed cheeks. Marely disbit of sour flour gets into your yeast, never dream that the same thing might he used and many prefer the bread made from milk. But the milk must be fresh from the sow and for the lty of death is in the air every breath-reason that you are in the city where ing moment. Nobedy knows where he it is difficult to get milk of the vort, will strike next. And little old failure Cont

To a tencup two thirds full of fresh white cornmeal, add a pinch of salt and sufficient warm water to make a thick batter. Pince this where it will keep warm (not hot) for six hours. This may be done the afternoon or evening before iid and place the whole on the back of the stove where the temperature will be even but not too hot. Test the water Mrs. Arthur Chance was a hostess often with your finger and see that the at ten yesterday when about 50 of her temperature is kept even. In about an Mount Tabor friends called during the bour or less time the yearst should be at desired. Knead thoroughly, mould into loaves and place in a baking pan in the usual way. Place in a warm place

> it in large quantities, as by steaming stale loaves in the morning and wrap-ping them in a cloth after the pro-cess, the bread will be fresh and delicious for dinner. Salt rising bread is never sure until it is baked, but if given extreme care one may be reasonably certain of a good, wholesome product.

to rise and bake. This bread requires more heat during the rising process than other breads. It is well to make

The Mark Which Marks Their High Degree

COMMON GARDEN SAGE RESTORES GRAY AND FADED HAIR TO ITS NATURAL COLOR

The old idea of using sage for darken? ing the hair is again coming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five. while our mothers have white bair be-fore they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy, and gradually restored the natural color.

One objection to using such a preparation was the trouble of making it, mended and sold by all despecially as it had to be made every two cfal agent Owl Drug Co.

A Simple Remedy for Dand- or three days, on account of souring quickly. This objection has been overruff, Falling Hair, Itching come, and by asking almost any first-class druggist for Wyeth's Sage and Sul-Scalp, Faded and Gray Hair phur Hair Remedy the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair, but will also stop the hair from failing out and make it grow.

Get a bottle from your druggist today. Use it and see for yourself how quickly dandruff goes and gray hairs

This preparation is offered to the public at 50 cents a bottle, and is recommended and sold by all druggists. SpeTHIS GENUINE UNION LABEL IN EVERY Suit or
