WILL CARRY FULL CARGO OF LUMBER TO SOUTH AFRICA

German Ship Frieda Is to Sail With Opening of 1912 Season—Barkentine S. G. Wilder Chartered for Lumber.

With the opening of the 1912 season a full cargo of lumber will be shipped to South Africa, the first to go there for several months. The cargo will be transported on the German ship Frieda, which has been fixed by Nosmos & Co. to load here for Delagoa Bay at 60 shillings.

This is the first vessel fixed for a cargo of lumber to South Africa since the British steamship Rheinwolf, which sailed from here July 10. The Frieda, which sailed on August 7 from Hamburg for Santa Rosalia, will be due to arrive here about February.

On her last trip to this port the Frieda loaded wheat for the United Kingdom, sailing from here last January. She is in command of Captain March.

Another lumber charter which has been announced is the American barkentine S. G. Wilder to load a cargo of lumber on the Columbia river, Willapa harbor or Puget sound for Suva at 45 shillings. She was chartered by the British Columbia mills, Timber & Trading company.

The first of the offshore fleet to get away from here with lumber this month is the British steamer Robert Dollar, Captain Morton, which sailed at 10 o'clock this morning for Puget sound, where she will finish loading for Shanghai. She also has the first wheat and flour to go out this month.

In the cargo of the Robert Dollar are 1,290,597 feet of lumber, valued at $16,215, flour consisting of 18,465 barrels, valued at $76,167, and 21,333 bushels of wheat, valued at $22,492, the total value of the cargo being $114,784.

Derelict Is Sighted.

San Francisco, Nov. 2.—A derelict schooner believed to have been wrecked in the storm which swept the western coast of Mexico October 17 to 18, was sighted on October 26 drifting westward out of the Gulf of California, according to the statement of officers of the steamer Curacao, which arrived here today from Guaymas. Captain Paulsen said he was unable to determine through his glasses the name of the vessel or whether there was life aboard.

ANVIL ON DRY DOCK

More Cargo Space to Be Built for Gas Schooner; Other Repairs.

More cargo space being needed in the gas schooner Anvil and the necessity of placing her in shape for the winter has caused the owners to place her in the Oregon drydock and she will not sail again until next Sunday night.

Joseph Supple's entire crew of workmen were sent down from the shipyard this morning and will make the repairs and changes so that the Anvil will be able to sail on time. She will have 15 feet of new keel, a new shoe and four pullman sections will be taken out forward to give her cargo room for about 45 tons more. A new bulkhead will be installed and new gangways to the rails on the upper deck will be made.

FAIRHAVEN GOES DOWN

Freight Steamer Springs Leak; Crew Escaping in Night Clothes.

Seattle, Nov. 2.—The freight steamer Fairhaven, Seattle to Whidby Island points, sank at the Galbraith dock here at 2 o'clock this morning after springing a leak during the night. The crew barely had time to get off at the dock in their night clothes. The Fairhaven landed last night with a cargo of wheat and hay, which was lost. She was 20 years old, and a stern wheeler.

OLEUM ON SAND BAR

Heavy Fog Causes Oil Tanker to Go Aground, But Is Soon Floated.

Fog on the lower Columbia river last night caused the Union oil tanker Oleum to get out of the channel and go aground on a sandbar opposite Astoria but she was floated again at high tide this forenoon and proceeded on up the river for Portsmouth at 11 o'clock. Advices to the local representative stated that no damage was done to the tanker as she struck on soft ground.

MARINE NOTES

Astoria, Nov. 2.—Sailed at 7:30 a. m. steamer Curlew for San Francisco; steamer Oleum went aground during fog; steamer Oleum floated and left up at 11 a. m.

Point Reyes, Nov. 2.—Passed at 10 a. m. steamer W. S. Porter from Portland for Monterey.

Astoria, Nov. 2.—Arrived at 1:10 p. m. steamer Oleum from Port San Luis.

San Francisco, Nov. 2.—Sailed at 2 a. m. steamer Johan Poulsen for Portland.

Astoria, Nov. 2.—Condition at the mouth of the river at 5 a. m. clear; wind southeast, 5 miles; weather raining and foggy.

Tides at Astoria Saturday: High water—11:02 a. m., 5.8 feet; 11:39 p. m., 7.3 feet. Low water—4:43 a. m., 1.8 feet; 6:22 p. m., 0.5 of a foot.

ALONG THE WATERFRONT

When she sails this afternoon for San Francisco and Los Angeles the steamer Rose City, Captain Mason, will have about 40 passengers, her capacity, and 1500 tons of general freight.

Laden with 40,000 barrels of fuel oil the Associated Oil tanker J. A. Chanslor, Captain Holmes, arrived at Linnton at 1:30 o'clock this morning from Monterey. She cleared again for that port and will sail this evening.

Captain Speir was approached yesterday afternoon by members of the Oregon naval militia on the subject of running for the captaincy. He declined, however, stating that his duties as harbormaster would not permit him to devote the necessary time.

Captain John A. Johnson was yesterday suspended by United States Inspectors Edwards and Fuller after being tried on a charge of misbehavior. He was charged with copying in an examination.

REDMOND IS BECOMING HOG, POULTRY COUNTRY

(Special to The Journal.)

Redmond, Or., Nov. 2.—The demonstration train was late yesterday and was greeted by the largest gathering since it has been on the road. Lectures were given by the different professors and much interest was shown in the poultry and hog country. The professors and railroad officials on the train were invited to visit the first annual potato show, which was being held, and the large exhibit of tubers was a surprise to them. Traffic Manager H. B. Miller suggested that the exhibit be shipped to Portland in care of the railroad and said proper means would be taken to give it publicity.

The Curl Gray prize of $25 for the best general exhibit was captured by S. D. Mustard of Powell Butte, five miles from here. He had seven varieties of potatoes on exhibition. The train stayed here all night and during the evening Professor Kent of the agricultural college delivered a lecture at a meeting of dairymen of this section and helped them form a permanent association.

FARMERS TRAVEL 150 MILES TO ATTEND LECTURES BY EXPERTS

(Special to The Journal.)

Bend, Or., Nov. 2.—Farmers who live as far as 75 miles from Bend were here yesterday to see the O.-W. R. & N. demonstration train. Many homesteaders in the new country southeast of Bend were anxious to learn dry farming methods from experts. The train was here four and a half hours. The public school children were all given an opportunity to visit it.

Train Does Good Work.

(Special to The Journal.)

Wasco, Or., Nov. 2.—The demonstration train was met by a large delegation of farmers and business men at this city Wednesday. The lectures were very instructive and the exhibits were first class. Many subjects were discussed that the people are vitally interested in and the instructions they have received will be of benefit to the county.

At Arlington the Tri-County meeting elected officers and routine work was laid out for each committee. The foundation of an organization has been formed that will not only be of great benefit to the three counties but will benefit Portland as well. Many of the representative business men of Wasco and More were in attendance.

MAY REINSTATE CITY EMPLOYES WHO RESIGN

The city civil service commission yesterday adopted a rule that city employes who resign may be afterwards reinstated at the discretion of the commission. The question of whether or not to adopt this rule has agitated the commission for some time.

Mayor Rushlight desires to see former Battalion Chief Lee G. Holden put back in his old place, as there is now a vacancy on account of the promotion of B. F. Dowell to be chief of the department. Holden has petitioned the commission to be restored to duty, but no action was taken on the petition yesterday.

Lane Apple Show Is On.

(Special to The Journal.)

Eugene, Or., Nov. 3.—Lane county's second annual apple show opened this morning and will close tomorrow night. The exhibits were all placed yesterday and early this morning and by the time designated for opening the large hall where the exhibit is placed a fine array of many varieties of apples and pears, besides grapes and nuts presented itself.

PRETTY HOME WEDDINGS OF POPULAR COUPLES

(Special to The Journal.)

Forest Grove, Or., Nov. 2.—A quiet but pretty wedding occurred in this city Tuesday evening when Miss Clara Knight became the bride of Claud L. Wagner, the ceremony being performed by Rev. Alfred Grant, pastor of the Methodist church. Only immediate friends and relatives were present. After the ceremony luncheon was served and the happy couple departed on a wedding trip.

Mrs. Wagner is the daughter of Mr. and Mrs. Frank Knight, of Dilley, and has been employed for some time in this city by the mercantile firm of Huffman & Allen. She is popular here, where she has a host of friends. Mr. Wagner is a member of the hardware firm of W. O. Wagner & Sons. The young people will live in South Park.

A pretty wedding was solemnized Wednesday at the home of Mrs. Sarah Nelson, in Cornelius, when her daughter, Miss Alma Beaty, became the bride of John L. Mooney, Justice of the Peace Mooney officiating.

The bride was attended by Miss Emma Busch, and Ray Mooney, brother of the groom, acted as best man. The bride and bridesmaid were beautifully gowned. After the ceremony a wedding dinner was served. The happy young couple are in British Columbia on a wedding trip, and will make their home in Portland, where Mr. Mooney is in business.

Anti-Cigarette Campaign.

(United Press Leased Wire.)

Milwaukee, Wis., Nov. 2.—The Women's Christian Temperance Union has begun a campaign for the enforcement of Wisconsin's anti-cigarette law. The campaign was decided upon yesterday when Mrs. H. B. Ingalls of St. Louis, superintendent of the W. C. T. U.'s national department of anti-narcotics, walked into a downtown cigar store and bought a package of cigarettes without the slightest difficulty. She appealed to the mayor to help the union enforce the law. The mayor promised his assistance.

Women Hold 74 Elective Offices.

A political census of Kansas, just completed, shows that 74 women are holding elective offices in that state, as follows: Forty-five county school superintendents, 3 county clerks, 6 county treasurers, 6 district court clerks, 12 registers of deeds, 2 probate judges and 1 mayor.

Priest's Advice Led to Their Recovery

This, weak or frail people—those who "take cold easily" and sufferers of Bronchitis and Asthma, should be prepared with Eckman's Alterative in the house.

Remarkable cures of even Tuberculosis (Consumptive) persons are often accomplished. Here are two cases:

"Gentlemen: On June 1, 1907, I was operated upon for Tubercular Peritonitis at St. Mary's Hospital, Rochester, N. Y. After the operation my physicians gave me up. I was then urged by a priest to take Eckman's Alterative, which I did. My weight at the time was 72 lbs. I began to improve and steadily gained in health and strength. I now weigh 129 lbs., and am absolutely cured."

(Signed affidavit) EDNA FINZER.
90 Savannah st., Rochester, N. Y.

"Gentlemen:—I was troubled with Asthma and Bronchitis for seventeen years. After trying many remedies, Eckman's Alterative was recommended to me by our parish priest. I am now feeling fine. I cannot praise it enough."

(Signed) ANNA MAE M'ENTEE.
Affidavit) Lacon, Ill.

Eckman's Alterative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit forming drugs. For sale by the Owl Drug Co. and other leading druggists. Ask for booklet of cured cases and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.

FACTS for MEN

A Straight Talk by C. K. Holsman, M. D.

The Expert Specialist

C. K. Holsman, M. D.

I am an expert specialist and treat ailments of men exclusively. I own my own office and equipment and publish my own photograph, and personally supervise the treatment of all patients from the time they come to me until I discharge them as cured. Although my time is fully occupied from early morn until late at night in looking after the wants of my patients and in administering my special treatment for Blood Poison, Varicose Veins and Hydrocele, I always take pleasure in consulting with new patients.

In offering my services to to the afflicted—the result of 18 years' experience in ailments of men—I am giving you the BEST that can be had anywhere. My reputation for the past 18 years can leave no doubt as to my ability, honesty and integrity and should be sufficient to convince the most skeptical that I am the FOREMOST and LEADING specialist in Portland. I possess skill and experience acquired in such a way that no other can share it and should not be classed with inexperienced doctors or specialists.

A thorough investigation should be made by every ailing man as to the specialist he consults. Duty and destiny to self and those who depend upon you demand the best medical attention. I have the ability and can give you this service. I have always charged a very reasonable fee, so that my services may be obtained by any man who sincerely desires to be cured. I make no misleading statements, false promises or unbusiness-like propositions. I would like to have you for a patient if you will come to me on a strictly professional basis, accepting inducements that I offer, which are my ability, 18 years' successful experience, time saving treatment and cure of certain diseases.

VARICOSE VEINS

I daily demonstrate that Varicose Veins can be cured in nearly all cases in such a satisfactory way that the vital parts are preserved and strengthened, pain eases, swelling subsides, a healthy circulation is rapidly reestablished, instead of the depressing conditions. I guarantee you a cure to stay cured.

KIDNEY, BLADDER AND PROSTATIC DISEASES

With these diseases you may have more complications than are presented by any other diseased organ. By my searching illumination of the bladder I determine accurately the disease and by microscopical examination and urinalysis I make doubly sure the condition of the kidneys, thus laying foundations for scientific treatment.

SPECIFIC BLOOD POISON

Scientific treatment only should be used in combating this loathsome disease. I cure Blood Poison by the new German Remedy which I introduce directly into the blood, purifying it, neutralizing and expelling poison from the system. New blood thus formed supplies and rebuilds the tissues in such a way that the patient recovers his normal state of health, strength and soundness.

MY DIRECT TREATMENT FOR WEAKNESS

That disorder commonly known as weakness has for years and generations baffled the efforts of physicians, yet to this very day a majority of doctors, specialists not excepted, are attempting to overcome it by methods that have been in constant use and have always failed for half a century. They dose the system with powerful stimulants and tonics, calculated to restore nervous force or strength that is not and never has been lacking, with the result that the functions are temporarily excited to the positive detriment of the patient. Weakness is only a symptom resulting from many local conditions and is curable by local treatment only, without the giving of a single internal dose, which demonstrates the absolute accuracy of my understanding and treatment of this disorder. In years I have not met with a single failure and I have entire confidence in my ability to cure all cases that come to me for treatment. I am equally certain that no treatment other than that which I have perfected can completely and permanently restore strength and vigor.

NO MONEY REQUIRED TO COMMENCE TREATMENT. Many patients have no confidence in their doctors, because he demands pay before a cure has been effected and there are many who have been misinformed about their condition or through unsuccessful treatment have become skeptical and think there is no cure for them. I want an opportunity to treat such men. It makes no difference about the financial part, as I accept pay for my services as benefits are derived; when I am satisfied the patient is liable. Health is capital at interest. I will prove my ability to cure before asking pay for my services.
