

SEES SCHEME TO BRING DEFEAT TO COMMISSION PLAN

Simon Charter Revision Committee Not Sincere, Says Clark of People's Body—Woodward Denies Charge.

A plot to defeat commission plan government for Portland by submitting a hastily finished, impossible commission charter to a special election January 9, was charged against the Simon Charter Revision Committee by A. E. Clark, chairman of the people's charter committee, in an interview given yesterday evening.

Mr. Clark further stated that in his opinion the Simon committee is hastening its work so that the special election may be called according to schedule with but one commission plan ready for submission, thus eliminating the people's committee and its work.
