Heretofore it has been the custom of funeral directors to make charges for all incidentals connected with a funeral. The Edward Holman Undertaking company, the leading funeral directors of Portland, have departed from that custom. When casket is furnished by us we make no extra charges for emboliming, heave to cemetery, outside box or any services that may be required of us, except clothing, cemetery and carriages, thus effecting a saving of 125 to 275 on each funeral.
