CADETS RUN LARGE SCORE ON ASTORIA

Defeat Columbia River Boys, 32 to 0, in Football Game Here.

The Hill Military Academy football team added another victory to their string by defeating the Astoria high school yesterday afternoon, 32 to 0. The Hill cadets outweighed the Columbia River valley boys by a number of pounds and their greater knowledge of the game helped them to running up the large score.

Gorman, Blakistone, Stiles, Jones, Metcalf, Hutton and Jackson all did stellar work for the cadets. Blakistone, Gorman and Stiles received and intercepted forward passes nicely.

Malagamba, the light quarter back of the visitors, played a fine game and the back field men, Malarkey and Wooten, did good work. Wooten intercepted several forward passes and made gains when carrying the ball. St. Martin and McCommon tackled in good shape.

The Hill players scored at will in the first, third and fourth quarters, but were unable to cross Astoria's goal line in the second quarter.

In the second quarter the Astorians played their best game. The cadets worked the ball within a yard of the goal line, but were held for downs.

Moore had the better of the punting with Stiles, his kicks averaging about 38 yards.

The teams lined up as follows:

Astoria.		Hill.
McCommon	LE	Blakistone
Turkalson	LT	St. Martin
Retfel, Beeklund	LG	George
Larson	C	Shearer
Mattson	RG	Williams
Anderson	RT	Holden
Nelson	RE	Gorman
Malagamba	QB	Metcalf, Jackson, Moran
Malarkey	LH	Stiles
Wooten	RH	Jones, Hutton
Moore	FB	Jackson, Moran

Touchdowns—Stiles 3, Jackson 1, Metcalf 1, Jones 1. Kicked goal—Jackson 2. Time of quarters—10 minutes. Officials—Rinehart, referee; Shaw, umpire; Patterson, field judge; B. Graham, head linesman.

OREGON AND CLUBMEN MAY MEET ON COURTS

(Special to The Journal.)

University of Oregon, Eugene, Nov. 11.—Weather permitting, the racquet wielders of the University of Oregon and the Multnomah club will probably get together on the club courts in the first meet of what is planned to be an annual dual tennis affair, on the morning of November 18, the day of the big football game.

The tournament as planned will be played off on the system of the Davis Cup tournament; that is, with two matches of singles and one of doubles. The club will probably enter Wickersham and Gorrill in the singles, leaving the doubles to a team of younger players. Oregon will proably be represented by Newland, Stine, Prescott and Bond.

MICHIGAN PHYSICAL DIRECTOR AT OREGON

(Special to The Journal.)

University of Oregon, Eugene, Nov. 11.—Miss Harriett Thompson, recently of the University of Michigan, has been added to the faculty of the University of Oregon as a physical director of women, under the direction of Dr. Stewart. Physical training is required of all women of the university, and the girls' gymnasium at Oregon is probably the best equipped of any in the northwest. Tennis is compulsory with all women during the spring and fall, when the weather will permit. In the winter interclass and intersorority basketball and track meets are the principal requirements.

WOLGAST IS NEARING CITY OF NEXT BATTLE

(United Press Leased Wire.)

Los Angeles, Nov. 11.—Telegrams received here today from Ad Wolgast's manager, Tom Jones, indicate that the lightweight champion will arrive here late this evening. Wolgast will go into training at once for his Thanksgiving day match with Freddie Welch. Welch already has begun light training.

Wolgast is holding out for Jack Welsh, the San Francisco referee to be the third man in the ring.

Buzukos Beats Dyreberg.

Stockton, Cal., Nov. 11.—Peter Buzukos, of Portland, lightweight champion wrestler of the world, defeated Walter Dyreberg, instructor of the Stockton Athletic club, who weighs 175 pounds, in a fierce match last night. Buzukos won after 1 hour and 16 minutes of hard wrestling.

FAMOUS CUB PITCHER WHO MAY BECOME A SEAL

Orval Overall, California boy who became famous as a pitcher for the Chicago Cubs, and who may wear a San Francisco uniform next year, according to good authority.

FOOTBALL TEAMS READY FOR BATTLE

Multnomah and Philadelphia Sailors Have Shaped Nicely for Sawdust Struggle.

With all players in perfect condition, the Multnomah and U. S. S. Philadelphia football elevens will clash this afternoon on Multnomah field at 3 o'clock.

Coach Hancock declares that his team is ready for the hardest game of its career and Captain Rinehart pronounces the Multnomah team stronger than it has been at any time this season.

Both teams average about the same in weight, but the backfield of the Multnomah squad is said to be a little bit the heavier.

Rinehart will call on both Clarke and Wolff to do a great deal of punting, as running will be quite hard in the sawdust that it has been found necessary to put on the field.

The game will start promptly at 3 o'clock and the quarters will likely be 10 and 15 minutes in length.

YALE IS DETERMINED TO WIPE OUT DEFEAT

(United Press Leased Wire.)

New Haven, Conn., Nov. 11.—Facing what the Yale coaches declare will be the greatest Yale-Brown football game in the history of the rival universities, the Yale gridiron warriors arose this morning determined to wipe out the stigma of Brown's 21 to 0 victory over them last year.

It was the first time that Brown had ever trailed the banners of old Eli in the dust, their best previous showing being in 1908, when they held the wearers of the blue to a 10-10 tie.

The Yale coaches say that the Brown team this year is the strongest ever sent out from Providence, but Yale has a greatly strengthened eleven since last season and will put up a hard fight.

It is expected that more than 20,000 will witness the encounter.

THOUSANDS WILL SEE BIG RUGBY GAME TODAY

(United Press Leased Wire.)

Stanford University, Cal., Nov. 11.—Never in the history of Stanford university has the campus presented so animated a scene of color and motion as on the threshold of the annual intercollegiate struggle between the cardinal and the blue and gold this afternoon. All morning thousands poured steadily in from all parts of the coast, and at noon Palo Alto was a city of more than 20,000 people. It is estimated that 12,000 came from San Francisco and vicinity alone when the whistle blew for the kickoff.

Betting was 10 to 6 on California.

WHITMAN AND IDAHO PLAY FOOTBALL TODAY

(Special to The Journal.)

Walla Walla, Wash., Nov. 11.—Whitman's football team plays the University of Idaho in the annual gridiron contest today. There was considerably more enthusiasm exhibited than when the team left a week ago for Eugene, for it is now believed that the local institution has a winning eleven, and will pull down the rest of the games.

Idaho should be Whitman's easiest game, and judging from comparative scores, will not be a hard problem to solve. W. S. C. beat the Muscovites by a good round score, and Oregon trounced W. S. C. 6 to 0. Oregon's defeat of Whitman was admittedly a fluke, and so it appears that Whitman has an edge on the Idaho bunch.

Roller skating, a healthy invigorating exercise. Oaks Rink popular place these days.

AGGIE AND STATER WILL CLASH TODAY

Corvallis Students Rally and Encourage Team to Hold the Pullmanites.

Oregon Agricultural College, Corvallis, Nov. 11.—That the students of the Oregon Agricultural college are not disheartened because they believe their team will receive a crushing defeat at the hands of the Washington State college eleven today, was evidenced here last night.

Several hundred students, dressed in typical rooters' costume, paraded the streets of the city, giving the college yell and shouting words of praise to the team. The hilarity of the evening culminated in the college gymnasium, where a number of prominent students and members of the faculty harangued on the football situation here. Prizes given by the local merchants were also awarded to the three best costumed rooters. The prizes consisted of a $5 pair of shoes, a Gordon hat, and a box of silk socks.

It is the general opinion here that O. A. C.'s chances of scoring against the heavy Washington men today is slight. Misfortune has visited Dolan's camp frequently during the past week and assigned several of the star performers to the hospital section. Captain Mays is still bedfast, Dwarte is in poor condition, and Enberg will enter the contest with a lame shoulder. Coach Dolan announced today that in the absence of May, Ehberg will act as field captain.

The Washington aggregation arrived in Corvallis yesterday morning and Coach Osthoff put them through a short signal practice on the local field last evening.

VARSITY WORKING IN SECRET FIELD

Trainer Hayward Gives Out the Weights for Big Game With Washington University.

(Special to The Journal.)

University of Oregon, Eugene, Or., Nov. 11.—Football is now being taught at the University of Oregon behind closed doors, and none but the coaches and subs are allowed to see the varsity team in practice.

Reports from the enclosure have it, however, that Coach Warner is driving his men hard and that they are showing better form than ever before. All of the men are in good shape with the exception of Latourette, who is still out of the game on account of his bad ankle. He is improving rapidly, though, and will probably be able to scrimmage the last of the week.

Captain Main has been in bad shape all season, but is in better condition now than ever before. Barring accidents in practice, Coach Warner will be able to send a regular team into the game with Washington.

Trainer Hayward gave out the weights of the first 16 men as follows: Chandler 152, Jones 155, Cobb 152, Latourette 152, Bradshaw 165, Fenton 181, Bailey 220, Hall 178, Kellogg 188, Noland 179, Farriss 180, Walker 164, Kaiser 173, Main 169 and Huesner 172. This shows the team average to be 172½ pounds.

Pickard Bests Lispmann.

Picard last evening defeated Lispmann by the score of 100 to 42 in the pool tournament at the Portland billiard parlors. Picard played a great game. Picard made several high runs, including runs of 24, 22 and 14. Lispmann's high run was 15. Picard's average run was five while the best Lispmann could make was two.

Blockwood, $4.25. Edlefsen Fuel Co.

WALTER M'CREDIE GETS NICE BOOST

Portland Manager Described as Great Developer of Minor League Players.

Charlie Hickman, formerly a well known Portland baseball fan and an admirer of Walter McCredie's managerial ability, gave the Portland leader quite a boost the other day in talking to the Spokesman-Review baseball reporter. Charlie, who is now district superintendent of the Pacific Telephone & Telegraph company with headquarters in Spokane, is quoted as follows:

"It tickled me to death to see Walter McCredie drag down the Coast league pennant of 1911 with his Portland team.

"It took a lot of nerve for the Portland team to stand off those Californians, all five teams of the south combining to make it hard for McCredie to win. San Francisco and Los Angeles did not put up anywhere nearly the fight against Vernon, Portland's hottest rival, that they did against the Beavers.

"But Portland won anyway and won on all-around superiority. The boys fought harder for the pennant than any other Coast team ever fought before. Individually, I don't believe McCredie had as good a bunch as he had in 1910 when he won the Coast pennant, but as a team, the players fitted together better and developed a smoother machine, with much greater efficiency.

"Three Portland players go to Cleveland next year, Ryan, the star batsman; Peckinpaugh, the speedy shortstop, and Steen, pitcher. I figure it a cinch Ryan will be a regular and believe both Steen and Peckinpaugh will make good. I believe that within two or three years you will see Cleveland an American league champion and that then you will have to give credit for that honor to the men Walter McCredie has sent up to Cleveland from the Portland Coast league team—Gregg, Olson, Krapp and Fisher in 1910, Graney in 1909, and Ryan, Steen and Peckinpaugh in 1911.

"For developing major league timber Walter McCredie of the Portland club deserves to rank among the foremost minor league managers of the country."

Buckley Hunter Kills Self.

Buckley, Wash., Nov. 11.—Arthur Gilkeson, one of the best known young men in this section, yesterday bled to death from wounds inflicted by the accidental discharge of a shotgun with which he was hunting in the woods a few miles from here. Gilkeson's companion hurried to Buckley and summoned Doctors Sheeps and Winslow, but when the physicians arrived Gilkeson was dead. The wounds, which were in the right leg, would not have been serious could the victim have had immediate attention.

Young Gilkeson lived with his parents on a place five miles from here, his father, James Gilkeson, being a well known resident of Buckley. Two sisters, Mrs. Peter Hagen and Miss Nellie Gilkeson, also survive the boy.

FOUR MEN CHOSEN TO MEET SEATTLE

Eyeman, Carey, Franske and Daviscourt Are "Winged M" Selections.

Billy Eyeman and Carey, boxers, and Oscar Franske and Nick Daviscourt, wrestlers, will be the Multnomah club's representatives in the interclub meet with Seattle, which will be held there November 17.

Eyeman was winner in the tryouts of the 135 pound boxers and showed considerable class in the short milling. Eyeman's prowess is well known to the local boxing fans.

Carey won in the tryouts in the 145 boxing class. Milchewski, who was looked upon to represent the club in this class, did not appear for the tryouts and will probably hereafter devote his time to wrestling.

Oscar Franske won the tryouts in the 134 pound wrestling class. Franske won the national amateur title in this weight in 1911 and will be pitted against Frank Duncan, the crack Seattle grappler.

Daviscourt, the former Spokane heavyweight, who was defeated for the national heavyweight title by Polly Grimm, will be the "winged M's" representative in the meet with the Seattle club.

Instructors Ryan and O'Connell will spend extra time conditioning these four athletes for the meet with Seattle, and they are confident that at least two events will be won by the club. In the meet against Vancouver the Seattle club won all the wrestling bouts and were defeated in all the boxing classes by the Canadians.

Olcott to Shoot Ducks.

Salem, Or., Nov. 11.—On the lakes belonging to Charles V. Brown of Astoria, where the ducks have been wined and dined for a week in preparation for the occasion, Secretary of State Olcott will spend Sunday shooting. Governor West has also been invited but was not certain today whether he could have time to go.

Dick Jones Defeats Noyes.

Dick Jones last evening defeated Frank Noyes in two sets of handball by the score of 21-17 and 21-14. Both players put up a fine game. Jones, by his victory, will appear in the finals with Douglas on either Monday or Tuesday night. The winner of the Douglas-Jones match will be presented with the Ben Holladay cup.

Tacoma Billiard Man Here.

Harry Andrews, a billiard hall owner of Tacoma, Wash., is spending a few days in Portland. Andrews is pleased with the local pool rooms and the way they are arranged.

Death by prevention of sleep is a legal form of punishment in China.

President Leonard W. Riley of McMinnville college, went from Portland this morning to attend the social service commission of the Northern Baptist convention of which he is a member. He expects to be gone nearly a month.

RETAILERS MAY FIX OWN PRICES

Manufacturers Cannot Force Sale at Certain Figure, Judge Decides.

(United Press Leased Wire.)

Seattle, Wash., Nov. 11.—A manufacturing company cannot compel retailers to sell at a fixed price, and they are free to reduce the prices if they want to. This is practically the decision of Judge Dykeman when he denied the injunction asked by the Crescent Manufacturing company to restrain W. E. Brown, of the Sanitary Market grocery, from selling their coffee under 40 cents per pound. Brown sells the coffee for 30 cents and says he makes 10 per cent profit. The company has a suit against him now for $1000 damages, which is still pending.

Oregon THE DALLES Oregon

"THE HEIDELBERG OF AMERICA"

NOTED for its superb summers, mild winters, excellent fruits, fine farms and stock ranches, garden truck that ripens in the spring. Pure water direct from Eastern Slope of Mt. Hood. Water and rail transportation unequaled (12 passenger trains and three boats every 24 hours.) An hotel second to none west of the Missouri River. Scenery on the Columbia River unexcelled the world over. Homes that are homes worth living in. A Flouring Mill in course of construction, the finest and one of the largest in the world. And
