Eye Glasses Technically Filled

Technical schooling, supplemented by many years of continued study, combined with a broad and extensive practice, is the record of our eyesight specialist. We knew him and knew his ability long before we placed him in charge of this important department. The study of human eyes has been his life's work. The guarantee of this institution back of him.

Our Garment Buyer Arrives in New York Today Her Third Trip This Season

OUR MISS BERNARD arrived in New York today, this being her third trip this season. The enormous business done in our Cloak and Suit Department this season has compelled us to send our buyer again to market. This is the first time that any Portland buyer of ready-to-wear apparel has gone to market at this time of the year. We believe, by doing this, that we will be enabled to give our customers better service than any other store, as the new holiday apparel as well as the special offerings of the factories will be picked up at reasonable prices and expressed to us immediately. Watch closely our advertisements for the best bargains.
